

Minutes of Meeting

Minutes of Meeting held on 21st Nov 2020 - Online mode.

~~AGENDA~~

The BOS Committee Recommended & approved the structure (R 20) for B.Tech Civil Engineering programme for 4 years (I, II, III and IV) with the following modifications:

1. As per college BOS chairman, the recommended credits for Science courses should be 35 and Engineering courses should be 65.
2. Advised to add a basic course "Introduction to CAD Lab" in 2nd semester.
3. Advised to add 3 open Electives.
4. The BOS members also suggested the following minor changes in the R20 course structure:
 - a) In the semester VI, "CAD Lab" title should be changed into "Computer Aided Design and Drawing Lab".
 - b) "Soil Mechanics" and "Soil Mechanics Lab" has to keep in semester V.
 - c) "Concrete Technology" subject be kept as Core paper in the semester IV.
 - d) "Ground Improvement Techniques" subject should be moved to Professional Elective in the semester VII.

e) In Fluid Mechanics, they suggested to add new topic "Laminar flow, Hagen-Poiseuille equation" in Unit IV.
