2.3.2 Students mentoring system available in the institution? Give details. (maximum 500 words)

Students are mentored by three faculty of the core department. Each Faculty is assigned 20 students along with their class teacher, who is associated with the mentors and the HOD of the respective department.

Students' attendance is taken after every period and the absentees' parents are informed. Percentage of attendance and results is informed and discussed with their parents.

Counseling is done to the students, who are absent and or not attentive in class.

Necessary suggestions are given by the mentors to students and parents for their betterment.
