TKR ENGINEERING COLLEGE OF ENGINEERING & TECHNOLOGY

PROFILE OF FACULTY

NAME : Dr S A Kalaiselvan
DESIGNATION : Professor
DEPARTMENT : Computer Science & Engineering
Areas of Interest : Computer Networks, Cryptography, Cloud Computing
Educational & Professional:
Academic Qualifications : PhD (CSE), St.Peter's Institute of Higher Education and Research. M.E (CSE), St.Peter's Institute of Higher Education and Research. B.E (CSE), Anna University.

Professional Experience :

1. AVN Institute of Engineering and Technology, Telangana, Feb 2018 – July 2019.
2. St.Martin's Engineering College, Telangana, 2019 – March 2021.
3. TKR College of Engineering and Technology, Telangana, March 2021 – TILL DATE

Events Participated / Organized:

S.NO	TITLE	VENUE
1.	NETWORK FUNDAMENTALS	VIT,Chennai Campus, 2010
2.	RECENT TRENDS IN COMPUTER NETWORKS	P.B College Of Engineering, Sriperumbudur, 2011

Achievement: Young Scientist Award, By VGOOD International, 2020.

Work Experience :

TKR COLLEGE OF ENGINEERING & TECHNOLOGY:

TKR College of Engineering & Technology was established with the support of TKR Educational Society in the year 2002. The college is autonomous, approved by AICTE, affiliated to JNTUH, accredited by NBA, NAAC with 'A' Grade. The college is primarily motivated towards imparting knowledge and empowering the aspiring students to be technically professional for meeting the current academic and industrial needs. The college has an excellent and updated infrastructure.

The Library & Information Centre, Central Library was established in the year 2002 itself. The library has an open access system with a rich collection of 72,685 Volumes and 8,486 Titles in all disciplines. In addition to the above, the Department Libraries contain 2,630 volumes and 1,885 Titles.

The Library subscribes print journals, IEEE, DELNET, INFLIBNET, N-List online

journals along with magazines and newspapers. Separate sections are maintained for UG, PG stock, References, Periodicals, back volumes, non-Book material and competitive Book Sections.

Library operations are automated using “**NEWGENLIB**” Library management software with barcode. WEB OPAC provides easy access to Library Resources.

e-Library facilities :

The e-Learning / virtual Section which is a part of the Library & Information Centre has been established with an aim to promote self learning capabilities and techniques among faculty and students of TKR college of Engineering & Technology. The Digital Library centre has well equipped state of the art Digital House with more than 60 computer systems which have the latest configuration and high speed Internet facility and also enabled with wi-fi. The Library provide e- learning resources in the form of e- journals, e-books, e-Databases, e- standards and audio-visual material.

Scanned documents can be stored in the digital format using the digital library. One can access any kind of information online. This service is helpful for teaching, learning and research. It helps students and faculty in preparing research papers, search indexes, bibliographies etc. They can also download e-journals online tests, mock interviews and gather information which is useful for group discussions, campus interviews, skill connects etc. The uses of the e-facilities are unlimited.

e-Library “Vision”:

The Vision of the e-library is to provide a student centred learning environment that facilitates a smooth transfer of information to cater to the needs of its users and to also maintain e-collections to support the academic pursuits of the college.

e-Library “Mission”:

The abundance of information provided by the e-library would help students meet the latest requirements needed to procure jobs. It will also enhance the creative and innovative skills of both the students and staff.

e-Library Objectives:

- To collect organize print and digitalize information and disseminate.
- To provide seamless access to information
- To act as a gateway to digital and electronic information
- To develop into a single access point library
- To create and update a comprehensive database related to science & technology.

e-Library access rules:.

1. Enter the name and sign in the register kept at the entrance before entering the e. library
2. Identity Card is Compulsory for getting access to the Digital Library
3. Systems should be used only for teaching and learning purpose.
4. Systematic downloading, distributing or retaining substantial portions is not allowed
5. Online chatting in the Digital Library is not allowed Browsing of dating social network sites is strictly prohibited. Strict disciplinary action will be taken against the defaulter.
6. Members are not to share their internet access, ID and Password with other students.
7. Members are not allowed to carry unimportant electronic material in the premises of the entire Digital Library.

8. The Student/ Staff should shutdown the system properly. If they are unable to do so they should contact the Digital Library incharge.
9. Silence is to be maintained, No discussion is permitted inside the e library

e-Library Resources:

College subscribed e-Journals IEEE and N-List. We also maintained SWAYAM, NPTEL MOOCS, NDL Club (National Digital Library e-Book Repository) and other self-learning resources.

- **Special purpose facilities available (Conduct of online Meetings/Webinars/Workshops, etc.)**

Available Google meet and Class room app through google meet, Webex meet, Goto meeting apps are also available.

1000 MBps Internet band width with wifi connectivity is Available

- Facilities for conduct of classes/courses in online mode (Theory & Practical): Available

- Innovation Cell : Available

- Social Media Cell : Available

- Compliance of the National Academic Depository (NAD), applicable to PGCM/ PGDM Institutions and University Departments

- **List of facilities available**

- Games and Sports Facilities : The playground is available for different sports. Day and night National/International semi-final and final cricket matches of various leagues are conducted.

- Extra-Curricular Activities: Various Social Activity Programmes conducted every year under NSS and NCC

- Soft Skill Development Facilities :

The college concerns the dire need of good communication skills which plays a vital role for better career

options and makes enough efforts to train functional English. Therefore, the institution has incorporated Soft & Communication Skills and Analytical Skills into the curriculum at 2nd and 3rd year level of UG programmes. The institution has recruited expert trainers in the above areas to develop communication competence among the students. Students are also allotted the different responsibilities in organizing various events and activities such as cultural programmes, competitions, seminars, workshops etc. In this way they improve their team building and organizational skills.

• Teaching Learning Process

• Curricula and syllabus for each of the Programmes as approved by the University : Attached in the College Web site : Available in the Web site.

AUDITOR'S REPORT

TO THE MEMBERS OF **TKR COLLEGE OF ENGINEERING & TECHNOLOGY** [A unit of TKR EDUCATIONAL SOCIETY]

We have audited the attached statement of affairs of TKR College of Engineering & Technology, Medbowli, Hyderabad – 500 097, as at 31st March, 2019 and its Income & Expenditure Account for the year ended on that date. The audit of the society as a whole was conducted as per the provisions of section 10(23)(c)(vi) of the Income Tax Act, 1961. As a part of the exercise, audit of individual units of the society were also conducted. These financial statements are the responsibility of the institution's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted the audit in accordance with accounting principles generally accepted in India, which require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes an assessment of the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement presentation. We believe that the audit provides a responsible basis for our opinion.

We report that:

- f. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of audit.
- g. In our opinion, proper books of accounts as required by law have been kept by the institution so far as appears from examination of such books.
- h. The Statement of Affairs and the Income and Expenditure Account dealt with by this report are in agreement with the books of account.
- i. In our opinion, the Statement of Affairs and Income and Expenditure account dealt with by this report comply with general accounting and audit principles accepted in India.
- j. In our opinion and according to the explanations given to us and to the best of our knowledge, the accounts give a true and a fair view.

- iii. In the case of the Statement of Affairs, of the State of Affairs of the Institution as at 31st March 2019.
- iv. In the case of Income and Expenditure Account, of the excess of income over expenditure for the year ended on that date.
