## About Us

“Transforming Knowledge into Skill” – Our motto is simple yet the much needed in the Indian Education Industry. Logik Works aims to provide the solution for this knowledge-skill gap in the education sector, especially in the engineering graduates. We strive to empower students with the skills required and essential to build a successful career.

Logik Works is founded & run by people with more than two decades of experience in the education and IT Industry. With their rich experience & understanding of the job and skills market, we always keep up and update our delivery strategies & methodologies to empower the students with the contemporary skills & technologies, thus making them industry ready in any technological era.

We believe and embrace the uniqueness of each student in each institution and always try to empower their skills without losing their uniqueness & creativity. Our scientifically designed training modules, outcome-based delivery methodology ensures no stone unturned to give nothing but the best of placement readiness training.

While we embrace the uniqueness at the heart, our analytics and feedback assisted measurement of training deliverables is our brain. Each step of our training process is thought with responsibility, implemented with empathy and measured with precision. The overall process, thus, always yields two outcomes: effective training delivery & effective placement results.

In this journey of empowering students, we take pride of our success stories and rejoice our journey with the institutions

### **Our Core Values**

**Empathy:** We hear, we understand and we want to provide value added solutions to our clients. In doing so, empathy is our core value at heart driven by technology & analytics

**Honesty:** We are outcome drive in our approach. In our process of delivering value added student empowerment solutions, we want to be honest in our approach, feedback and implementation to make sure nothing but the best in delivered.

**Value centricity:** While we strive to achieve empowerment of students and institutions, we make sure all our processes are value centric and always try to improve the value to clients.

**Empowerment for all:** In all our processes and modules of delivery, while the objectives are specified and aligned towards a particular outcome, we also aim at an inherent empowerment of students in their skills, approach and communication. This

360-degree holistic approach aims at empowerment for all despite of different objectives and outcomes.

**Employability for all:** All our modules, strategies and methodologies of training converge to a single objective of empowering students with employability skills. This is our core value and sole objective and we always strive for achieving this objective.

## **Our Training Methodology**

With all our core values at heart, all our training methodologies are designed scientifically and have four essential ingredients:

**Design with empathy:** We embrace the differentiated needs of institutions. All of modules are designed with understanding of institutional requirements, industry expectations and student's potential. This will make sure all our training modules are flawless in their objectives and expected outcomes.

**Implement with responsibility:** We are your training partners with end-to-end responsibility. Objectives and outcomes are only achieved when the great vision translates into responsible implementation to achieve that vision. Our expert faculty are the heart of our organization and the torch bearers to achieve our vision. We make sure we leave no stone unturned to achieve the transformation of student.

**Measure with precision:** All our programs are measured at every step to track the progress of achieving desired outcomes. All programs have check points at regular intervals to ensure the precision of measurement. We use assessments, assignments & presentations as the tools of measurements.

**Feedback with transparency:** Our programs are dynamic in implementation. Our measurement is driven by analytics and we generate feedback at every checkpoint which is feedback into the training delivery. Our feedback is not only for the sake of measurement but this makes our program dynamic and live-in terms of how it is implemented. We make course corrections based on our feedback and are transparent with our clients in doing so.

Dear Dr K M V Madan Kumar,

Greetings from TASK!

Please ignore previous mail and consider this mail.

As a part of our ongoing TASK skilling initiatives, we are confirming the schedule for **Interview Preparation Skills** Sessions at your college for One batch for 4th year students.

**Training Dates:**

25th & 26th, October- 2017

**Training Timings:**

10 AM and 4:30 PM

**Professor of Practice (PoP) Contact Number:**

1). Mr.Rama Mohana Rao Yarrapothu - 9849456679

We will let you know in advance in case of any change of the trainer.

We request you to be ready with the following for a smooth flow of the session:

1. Neat and Tidy Class Room with a seating capacity of about 70.
2. Projector with Good Sound System.
3. White Board & Markers.
4. Lunch and Tea for the Trainer.
5. Collar mikes or Normal mikes.

Also a request regarding help with local transport. It would be great if your college can provide a cab for pick and drop of the trainer as many of them are not familiar with the college locations.

If there is any cancellation of this schedule, please let us know immediately.

Please find the following attachments that need to be shared with us:

1. Attendance Sheet
2. Feedback Form
3. Authentication Letter from your College.

Thanks in advance for your support,

Regards  
Sridevi Guduru
