

NSS Activities

Following are the NSS activities conducted by NSS unit-I, TKRCET in the year 2018-19

- a. NSS Unit organized Yoga Day celebrations along with 1000 students in the College Premises on 21/06/2018.
- b. A Malaria eradication Programme was conducted in collaboration with GHMC on 10/08/2018 in the College Auditorium.
- c. A Clean and Green Programme was organized by NSS Unit in collaboration with ASEZ Group on 21/01/2019.
- d. A Blood donation camp was organized by NSS unit on 30/01/2019 in collaboration with Andhra Mahila Sabha (DDH), in which 316 samples were donated.
- e. A Swatch Sarvekshan Awareness Programme was organized on 28/01/2019 by NSS Unit in collaboration with GHMC.
- f. The NSS Volunteers attended the Cancer Awareness walk organized by Yashoda Hospital, Malakpet on 03/02/2019.
- g. The NSS Volunteers attended the Road Safety Awareness Programme organized by RachaKonda Police at Saroornagar Indoor Stadium on 04/02/2019.
- h. NSS volunteers participated in a programme on SHE empower conducted by Cyberabad Police at Hitex on 13/02/2019.
- i. NSS Unit organized a Programme on Drug Free India in collaboration with Art of living on 19/02/2019.
- j. A Health camp was organized by ICON Hospitals in the College on 27/02/2019.

MALARIA ERADICATION PROGRAMME

Date : 10/08/2018

The NSS unit of TKR College of Engineering and Technology conducted an awareness program in college auditorium on “**MALARIA ERADICATION**” in collaboration with **GHMC** , Hyderabad . the program was inaugurated by principal sir and was graced by the staff and students of TKLRCEET. More than 300 students participated in the program .The officials from GHMC took a detailed session for a duration of 2 hours and gave insights about malaria and its prevention . in the session they briefed Malaria as a life-threatening disease primarily found in tropical countries. It is both preventable and curable. However, without prompt diagnosis and effective treatment, a case of uncomplicated malaria can progress to a severe form of the disease, which is often fatal without treatment. Malaria is not contagious and cannot spread from one person to another; the disease is transmitted through the bites of female *Anopheles* mosquitoes. Five species of parasites can cause malaria in humans and 2 of these species – *Plasmodium falciparum* and *Plasmodium vivax* – pose the greatest threat. There are over 400 different species of *Anopheles* mosquitoes and around 40, known as vector species, can transmit the disease. The session got concluded by felicitating the officials from GHMC by principal and the NSS UNIT.

ENGINEER'S DAY

Date: 15/09.2019

The NSS unit of TKR College of engineering and technology celebrated Engineer's Day. The Engineering Community across India celebrates Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. "Role of Engineers in developing India" was the theme of the event. This event is planned to create awareness to students and faculties on the Role of engineers in the development of our Nation. On this day honorable principal Dr. DV. Ravi Shankar gave a lecture on "Role of Engineers in developing India". Around 100 students and faculty members from various departments have participated. The detailed report is given below : Inaugural function started at 10:30a.m in Seminar Hall. The Inaugural function started with a prayer song sung by NSS Volunteers. The welcome speech was followed by the lighting of lamps by the dignitaries and speakers. The event lasted for 3 hours and lots of knowledge on cutting edge technologies and how engineers can be good engineers and contribute to the nation was inculcated. The overall feedback from students was noted to be excellent.
