INTERNATIONAL YOGA DAY CELEBRATIONS

Date: 21/06/2019

The NSS unit of TKR College of Engineering and Technology conducted yoga session on account of International Yoga Day i.e on 21st June 2019. Volunteers of NSS unit worked collectively and made the yoga session successful.

. The session was attended by staff members, students and NSS volunteers of TKR College of Engineering and Technology. More than 150 volunteers from the NSS unit actively took part in the session in college cricket grounds. The yoga session was conducted with "SAHAJA YOGA" team . The trainer is a certified master and teacher of Yoga .The session started at 5:00 am, with the welcoming lines and opening speech of our NSS program officer J.Sunitha Kumari madam.Followed by the speech of Shri TEEGALA KRISHNA REDDY,Chairman , TKRES .

Thereon, the resource person took over the session and started it by depicting asanas. The session went on from learning the importance of meditation to performing asanas. The session also included the importance of mindfulness in our day to day life.

A seminar was also held in the auditorium on the "Importance of Meditation" .All the participants including our staff attended the session.

The session ended at 11:15am, and was closed by the words of our chairman sir.

Awareness program on "NO PLASTIC"

Date: 13/09/2019

The NSS unit of TKR College of Engineering and Technology conducted an awareness program on "SAY NO TO PLASTIC" under the supervision of NSS program officer J.Sunitha Kumari. The campaign was carried out in the college and nearby village of L, under the flagship of "Say no to plastic"

The objective of the campaign was to create awareness about the hazard of polythene bags. The campaign was named 'Say No to Plastic bag'. Banners bearing this slogan were displayed at various places in the locality. The NSS Students divided themselves into groups of four and each group visited the people in their homes. People were told how the use of polythene bags pollutes the environment. They were also educated that polythene was not biodegradable and that these bags could choke the sewers. They could also spoil the fertility of the soil. Shopkeepers in the locality were requested to give up the use of polythene carry-bags. The NSS Students also created awareness by pasting the slogan "NO PLASTIC" in the various places of the college such as in canteen, tea stalls, class rooms, toilets etc.

People showed great interest in the campaign. Many of them promised never to use polythene bags in future. The campaign was a great success. Everyone in the college and in locality praised the initiation undertaken by The NSS unit of TKR College of Engineering and Technology.

IMPORTANCE OF HARVESTING PITS

Rainwater Harvesting is a technique that is the process of saving and collecting rainwater using various means of various resources (such as agriculture etc.) for future use. Rainwater can be collected in natural reservoirs or artificial tanks. Storage of roof water is also a way of collecting rainwater. Whenever it rains, rainwater can be stored in man-made ponds or tank. Rainwater harvesting is the process of saving and collect rainwater through natural resources and artificial design resources to cater to the shortage of water in the future and to stop the water flowing.

The NSS unit of TKR College of Engineering and Technology organized an awareness program to maintain the rain harvesting pits and explained the importance of maintaining them. In his speech the principal addressed and told everyone should maintain the rain harvesting pits in their institution and in every house and praised the college management for placing nine rain harvesting pits in the college . The program was closed by taking voth of maintaining harvesting pits.

CLEAN AND GREEN PROGRAM

Date: 24/09/2019

The NSS unit of TKR College of Engineering and Technology organized “**CLEAN AND GREEN PROGRAM**” as a part of NSS DAY CELEBRATIONS. The program was inaugurated by the principal Dr. D.V .RAVI SHANKAR and in his speech he quoted “Cleanliness is equal to godliness” and explained Cleanliness means maintaining neatness both physically and mentally. Cleanliness is very important whether it is our home, workplace, or public places. It is one of the very basic needs of a civilized lifestyle. This will be our tribute to Mahatma Gandhi on his 150th birth anniversary to be celebrated in the year 2019”. In short Swachh Bharat Abhiyan is great start to make India cleaner and greener. If all citizens could come together and participate in this drive, India will soon flourish. Moreover, when the hygienic conditions of India will improve, all of you will benefit equally. India will have more tourists visiting every year and will create a happy and clean environment for the citizens. Later all the NSS Volunteers cleaned up the college premises and all around the college premises by collecting the waste. The work of the volunteers was appreciated by the principal and management of the college.

AWRENESS PROGRAM ON REDUCING CRIME

Date: 30/12/2019

The NSS Unit of TKRCET organized an awareness program on “**REDUCING CRIME**” in the college premises by depicting charts and posters in front of the college and explaining them to the students and staff of the college. This event was organized in association with ASEZ Group, South Korea . The event was graced by the principal and he addressed the staff and students present and explained the principles of reducing crime .in his addressing words he told .When you are looking at using the principles of crime prevention to improve security around your home or business, the best way to approach it is to look at your home or premises as if you were the offender. Identify the weak spots, vulnerable areas and concealment points and prioritise the areas for improvement. Contact our Crime Prevention Officers before you undertake any improvements and they will work with you to ensure that you are taking the best approach possible for your respective circumstances. Later Principal thanked the ASEZ TEAM for coming up with such an event and appreciated the NSS team for organizing it in the college.

ROAD SAFETY AWARENESS

Date:15.02.2020

DATE: 15 February 2020

NSS unit of TKR College of Engineering and Technology conducted a one day road safety awareness program in collaboration with Telangana Traffic Police department. Amid rising rates of road accidents in the city, youth have a majority part in daily commute. So as an initiative to promote Road Safety this awareness program was conducted under the supervision of Program Officer Mrs. J. Sunitha Kumari. The program started at 10 am in the morning, at the auditorium of K9 campus. More than 200 students of various departments attended this session. Representing the State Traffic Police Dept the local Circle Inspector accompanied by one Sub inspector and a Constable were the chief guests. Honorable Circle inspector was the keynote speaker. Respected Principal and dean of academics of TKRCET attended the program. The session started with an awe inspiring speech by Principal Sir followed by the presentation and interaction by the chief guests. This session provided the attendees a very enriching insight on how crucial it is to follow traffic rules. The session was resourceful and the efforts to take up this initiative were appreciated by the Telangana State Traffic Police.
