### International Yoga Day Celebrations

Date: 21/06/2021

The NSS unit of TKR College of Engineering and Technology conducted an online yoga session on account of International Yoga Day i.e on 21st June 2021. Volunteers of NSS unit worked collectively and made the online yoga session successful.

Due to the global pandemic situation and keeping the social distance in view, the event was conducted online through Google Meet. The session was attended by staff members, students and NSS volunteers of TKR College of Engineering and Technology. More than 150 volunteers from the NSS unit actively took part in the session. The online yoga session was conducted with G.Swathi Reddy as guest speaker and resource person. She is a certified master and teacher of Yoga. The session started at 10:00 am, with the welcoming lines and opening speech of our NSS program officer J.Sunitha Kumari madam. Followed by a cultural session in which NSS volunteers sang religious songs and spoke on vedic wellness in the times of pandemic.

Thereon, the resource person took over the session and started it by reciting a shloka. The session went on from learning the importance of meditation to performing asanas. The session also included the importance of mindfulness in our day to day life.

All the participants including our staff followed and performed the asanas as told by yogacharya. The practice session went on for 1 hour with active responses and enthusiasm. The session was very interactive and resourceful providing an insight into yoga and its importance. At the end, there was a question and answer session. All the participants posed their thoughtful doubts and questions about yoga, meditation and mental health. An extensive discussion on tackling the global pandemic with Vedic wellness was the center of attraction of this event. Participants were provided with online participation certificate.

The session ended at 11:15am, and was closed by concluding lines. Later on while conducting the online feedback the responses and feedback by participants and staff was noted to be very good.

### E-Safai Campaign

Date: 19/01/2021

The NSS unit of TKR College of Engineering and Technology took up an initiative to place an e-waste bin as a part of "e-safai campaign". The e-waste of the campus was needed to be disposed off in a right way for which this initiative became a pathbreaking solution. The e-waste bin was placed in the main block of TKRCET right in front of the academic section. Students were taught the concept of recycling and disposal of e-waste in the right manner and awareness was spread by volunteers across the campus. Volunteers took on to social media to share the importance of the right ways of disposal of e-waste. The campaign's main aim was to direct student's minds in constructive activities with positive outcomes through the facilitation of contributing to society.

### Tree Plantation Drive

Nature is God's most beautiful creation. It facilitates the growth, development and nourishment of all its creatures. The NSS unit of TKRCET took the initiative of environmental awareness to enable the students to enhance their social and emotional growth. A "TREE PLANTATION DRIVE" was organized in the campus. The campaign's main aim was to direct student's minds in constructive activities with positive outcomes through the facilitation of contributing to society.

The students were provided with various saplings including Ashoka, Neem, Belpatra etc. 100 Volunteers participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted in the campus grounds by volunteers. The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others.

### Installation of Sanitary Pad Vending Machine

Date: 24/02/2022

As a two-pronged effort to enable students and faculty to have access to sanitary napkins, who might otherwise be conscious of buying the pads from market stores which needs one to go out of the 2km widespread campus, NSS unit of TKR College of Engineering and Technology took up the initiative of installing a sanitary pad vending machine inside the college campus. The machine was placed at the south block and a pad is dispensed from it when a 5Rs coin is inserted. This enables students and faculty to access sanitary pads without hassle. Many students and faculty were elated on this initiative as it showed a positive impact.

### Engineer's day

Date: 15/09.2021

The NSS unit of TKR College of engineering and technology celebrated Engineer's Day. The Engineering Community across India celebrates Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. "Role of Engineers in developing India" was the theme of the event. This event is planned to create awareness to students and faculties on the Role of engineers in the development of our Nation. On this day honorable principal Dr. DV. Ravi Shankar gave a lecture on "Role of Engineers in developing India". Around 100 students and faculty members from various departments have participated. The detailed report is given below : Inaugural function started at 10:30a.m in Seminar Hall. The Inaugural function started with a prayer song sung by NSS Volunteers. The welcome speech was followed by the lighting of lamps by the dignitaries and speakers. The event lasted for 3 hours and lots of knowledge on cutting edge technologies and how engineers can be good engineers and contribute to the nation was inculcated. The overall feedback from students was noted to be excellent.
