Report on Campus Recruitment Training

TKR College of Engineering and Technology has started the Campus Recruitment Training (CRT) for all the final year students from all the branches of Engineering from 06th September 2021 onwards.

This Program is conducted in collaboration with "Path Creators" one of the premium training institute. The CRT has been conducted for 10 days/60 hours program, i.e. 6hrs per day for 10 days, where students were trained on different industry relevant skills and basic fundamental skills like Aptitude, Reasoning, Logical, Verbal and Technical skills.

TRAINING/Resource TEAM:

Members of training team were Ms. Mubeen, Mr. Pavan Reddy, Mr. Ganesh, Ms. Pranitha, Mr. Santosh, Mr. Kumar from Path Creators.

TARGET AUDIENCE:

All Final Year Students from CSE, IT, ECE, EEE, MECH and CIVIL.

DAY 1 to Day 4: Data Arrangements and Blood Relations, Number Systems, Reading Comprehension, Sentence Correction, Coding and Decoding, Time and Work, Calendars, Number series and Letter series

Day 5 to Day 10: Concepts of C Programming Language and Practical sessions of C programming, Programming Using Loops, Conditional and Programming on Arrays etc..., Programming on Java fundamentals, Introduction to oops concepts, Relationships, Functions etc.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.
- CRT Training has also improved the programming skills of students.

Feedback about the Training from the Students

The training was well conducted by all the trainers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills and technical skills which everyone need to develop to live happily in the society as

Report on Campus Recruitment Training(Conducted online)

TKR College of Engineering and Technology has started the Campus Recruitment Training (CRT) for all the final year students from all the branches of Engineering from 07th August 2020 onwards.

This Program is conducted in collaboration with "Path Creators" one of the premium training institute. The CRT has been conducted for 10 days/60 hours program, i.e. 6hrs per day for 10 days, where students were trained on different industry relevant skills and basic fundamental skills like Aptitude, Reasoning, Logical, Verbal and Technical skills. Before starting the actual training program we had done a system readiness session assuming the prevailing conditions across the world due to COVID-19 on 10/02/2020 and 10/03/2020 on trail bases making students ready for the online platform, which was very successful trail in which students have participated actively on the online platform

TRAINING/Resource TEAM:

Members of training team were Ms. Mubeen, Mr. Pavan Reddy, Mr. Ganesh, Ms. Pranitha, Mr. Santosh, Mr. Kumar from Path Creators.

TARGET AUDIENCE:

All Final Year Students from CSE, IT, ECE, EEE, MECH and CIVIL.

DAY 1 to Day 10:(Topics covered in the online sessions):- Data Arrangements and Blood Relations, Number Systems, Reading Comprehension, Sentence Correction, Coding and Decoding, Time and Work, Calendars, Number series and Letter series, Concepts of C Programming Language and Practical sessions of C programming, Programming Using Loops, Conditional and Programming on Arrays etc...., Programming on Java fundamentals, Introduction to oops concepts, Relationships, Functions etc.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine-tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.
- CRT Training has also improved the programming skills of students.
- Students were well aware of the online platform and could use the online tools and hands on sessions were conducted on virtual labs.

TKR COLLEGE OF ENGINEERING AND TECHNOLOGY (AUTONOMOUS)

Approved by AICTE, Accredited by NAAC

Feedback about the Training from the Students

Students were very happy and satisfied with the training provided through online classes as they had a very new practice of using online platform like virtual labs, virtual assessments by which they can easily participate in the virtual drives conducted by the MNC's.

Report on Campus Recruitment Training

TKR College of Engineering and Technology has started the Campus Recruitment Training (CRT) for all the final year students from all the branches of Engineering from 10th September 2019 onwards.

This Program is conducted in collaboration with "Path Creators" one of the premium training institute. The CRT has been conducted for 10 days/60 hours program, i.e. 6hrs per day for 10 days, where students were trained on different industry relevant skills and basic fundamental skills like Aptitude, Reasoning, Logical, Verbal and Technical skills.

TRAINING/Resource TEAM:

Members of training team were Ms. Mubeen, Mr. Pavan Reddy, Mr. Ganesh, Ms. Pranitha, Mr. Santosh, Mr. Kumar from Path Creators.

TARGET AUDIENCE:

All Final Year Students from CSE, IT, ECE, EEE, MECH and CIVIL.

DAY 1 to Day 4: Data Arrangements and Blood Relations, Number Systems, Reading Comprehension, Sentence Correction, Coding and Decoding, Time and Work, Calendars, Number series and Letter series

Day 5 to Day 10: Concepts of C Programming Language and Practical sessions of C programming, Programming Using Loops, Conditional and Programming on Arrays etc..., Programming on Java fundamentals, Introduction to oops concepts, Relationships, Functions etc.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.
- CRT Training has also improved the programming skills of students.

Feedback about the Training from the Students

The training was well conducted by all the trainers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills and technical skills which everyone need to develop to live happily in the society as

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.

➤ CRT Training has also improved the programming skills of students.

Feedback about the Training from the Students

Positive feedback	Constructive
Short Cuts and tricks given were useful	Need such Aptitude and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by all the trainers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills and technical skills which everyone need to develop to live happily in the society as well as in the company. The effort of entire Sixth Phase was applauded by all present. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions which were highly focused towards campus placements.

Report on Campus Recruitment Training

TKR College of Engineering and Technology has started the Campus Recruitment Training (CRT) for all the final year students from all the branches of Engineering from 12th September 2017 onwards.

This Program is conducted in collaboration with "Sixth Phrase" one of the premium training institute. The CRT has been conducted for 10 days/60 hours program, i.e. 6hrs per day for 10 days, where students were trained on different industry relevant skills and basic fundamental skills like Aptitude, Reasoning, Logical, Verbal and Technical skills.

TRAINING/Resource TEAM:

Members of training team were Mr.Rashid, Mr.Kashif Yaseen, Mr.M. Sravan Kumar, Ms.V. Padmaja and Mr. K.L. Venkata Ramana from Sixth Phrase.

TARGET AUDIENCE:

All Final Year Students from CSE, IT, ECE, EEE, MECH and CIVIL.

DAY 1: Problems on: Data Arrangements and Blood Relations, Number Systems.

DAY 2: Problems on: Coding and Decoding, Time and Work

DAY 3: Problems on: Reading Comprehension, Sentence Correction

DAY 4: Problems on: Calendars, Number series and Letter series

Day 5: Concepts of C Programming Language and Practical sessions of C programming

Day 6: Programming Using Loops, Conditional and Programming on Arrays etc...

Day 7: Introduction to oops concepts, Relationships, Functions etc.

Day 8 to Day 10: Programming on Java fundamentals

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.

TKR COLLEGE OF ENGINEERING AND TECHNOLOGY (AUTONOMOUS)

(Approved by TKR Educational Society - Approved by AICTE, Affiliated to JNTU)
(Accredited by NAAC - B Grade with 'A' Grade)

- CRT Training has also improved the programming skills of students.

Feedback about the Training from the Students

Positive feedback	Constructive
Short Cuts and tricks given were useful	Need such Aptitude and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by all the trainers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills and technical skills which everyone need to develop to live happily in the society as well as in the company. The effort of entire Sixth Phase was applauded by all present. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions which were highly focused towards campus placements.

PURPOSE OF THE SESSION:

Studying abroad is more than just education, it's a holistic experience

Earning an international degree is not only about expanding one's own career and personal horizons but also about having an experience of a lifetime.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt how to choose diverse course options from
- Students have learnt by pursuing a degree overseas signals employers that they have courage, flexibility, cultural awareness and an understanding of how other people work and think.
- Students got an idea of studying abroad helps them learn new approaches to handle different situations, manage time between their studies and part-time jobs, experience international methods of instructing and deal with a cosmopolitan crowd.
- Students who study abroad develop a well-informed mindset and wider perspective towards other cultures and people.
- Study abroad gives students an experience to explore geographies different that from India and come back with interesting stories for their friends and family. Students might also end up finding an activity that they enjoy doing and make a career in it.

Feedback about the Session from the Students

The session was well conducted by resource person and made students to interact with him effectively. The session received huge appreciation from the students because he gave much knowledge about various courses, scope of the higher education throughout the countries and various universities and their collaboration with the consultancy, by which every student who is aspiring to go abroad education can comfortably choose their organization. The effort of entire Abacus Overseas Advisors was applauded by all present. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the sessions which were highly focused towards higher education and career prospective.

Report on Higher Education and Career Counseling

Department of Training and Placement of TKR College of Engineering and Technology have conducted session on Higher Education and Career Counseling for all the final year students from all the branches of Engineering on 19th December 2019 at 11:00 A.M. to 01:00 P.M.

This Program is conducted in collaboration with "Indian Overseas Career Consultancy (IOC)" Training and Overseas/Abroad Education consultancy.

Venue of the Event: - TKR College of Engineering and Technology (Auditorium)

Day/Date of the Event: - Thursday, 19th December 2019

Timings: - 11:00 A.M. to 01:00 P.M.

Resource Person:

Mr. Venkat Sandeep Chief Executive Officer - Indian Overseas Career Consultancy (IOC)

TARGET AUDIENCE:

All Final Year Students from CSE, IT, ECE, EEE, MECH and CIVIL.

PURPOSE OF THE SESSION:

Studying abroad is more than just education, it's a holistic experience

Earning an international degree is not only about expanding one's own career and personal horizons but also about having an experience of a lifetime.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt how to choose diverse course options from
- Students have learnt by pursuing a degree overseas signals employers that they have courage, flexibility, cultural awareness and an understanding of how other people work and think.
- Students got an idea of studying abroad helps them learn new approaches to handle different situations, manage time between their studies and part-time jobs, experience international methods of instructing and deal with a cosmopolitan crowd.
- Students who study abroad develop a well-informed mindset and wider perspective towards other cultures and people.
- Study abroad gives students an experience to explore geographies different than India and come back with interesting stories for their friends and family. Students might also end up finding an activity that they enjoy doing and make a career in it.

Feedback about the Session from the Students

The session was well conducted by resource person and made students to interact with him effectively. The session received huge appreciation from the students because he gave much knowledge about various courses, scope of the higher education throughout the countries and various universities and their collaboration with the consultancy, by which every student who is aspiring to go abroad education can comfortably choose their organization. The effort of entire team of Indian Overseas Career Consultancy (IOC) was applauded by all present. The students were very thankful to the placement department for expediting the session which were highly focused towards higher education and career prospective.
