NATIONAL YOUTH DAY CELEBRATIONS

On the occasion of National Youth Day celebrations Shri Teegala Krishna Reddy Garu

The Government of India first declared to celebrate the birth anniversary of Swami Vivekananda in 1984 and to observe it as National Youth Day on 12 January. It is also known as Rashtriya Yuva Diwas. Swami Vivekananda's famous speech at the World's Parliament of Religions in 1893 in Chicago changed the way the world looked at India. He introduced Indian Vedanta and philosophies of Yoga to the world which put India on the world's spiritual map. He founded the Ramakrishna Mission. The focus of the education should be to encourage such scientific innovations which can actually solve the problems of human beings. At the end few students have expressed their views on the teachings of Swami Vivekananda and he being the ideal role model for the youth of the country.

MATHEMATICS DAY CELEBRATIONS

Mathematics Day celebrations in Auditorium

National Mathematics Day is celebrated every year on December 22 across the nation to recognise and celebrate the works of Srinivasa Ramanujan. It was on this day in 1887, the Indian mathematical genius Srinivasa Ramanujan was born. The mathematical genius Ramanujan was born to a Tamil Brahmin Iyengar family at Erode, Tamil Nadu. The former Prime Minister Manmohan Singh, on February 26, 2012, declared December 22 as the National Mathematics Day to mark the mathematician's birth anniversary. The National Mathematics Day is celebrated across the country with several educational events in schools and colleges.

Srinivasa Ramanujan, who is also known as the 'man who knew infinity', did not receive any formal education in Mathematics but made important contributions to the field of mathematics. The mathematical genius made in depth analysis in order to solve mathematical problems using new ideas and concepts.

SCIENCE DAY CELEBRATIONS

National science day is mark on February 28 in the year 2019 each year in India to commemorate the discovery of the roman effect. Dr. B.Rajini Kanth and Dr.D.V.S.R. Anil Kumar, HoDs of the H&S Department, spoke on how scientific development has changed the life of human beings many folds. They talked about Sir CV Raman's passion for physics and what led him to receive the Nobel Prize for physics in 1930.

The faculty of H&S organized a quiz competition for students. The questions were based on scientific and technological developments. Students made poster presentations as well as projects. The posters visually simplified complicated science concepts spanning chemistry, physics, engineering topics, etc. some students also made paper presentations on topics like the science of earthquakes, geological time; how clouds create lighting and thunder; technical drawing; smart material, etc.

The chief guest Dr. Ramaswamy retired eminent scientist DRDO talked about the significance of National Science Day. He said that by celebrating this day as national science day, we show our respect to the famous Indian Physicist for his contribution to the field of science. He also talked about other great Indian scientists like Homi Bhabha, Visweswaraya, S Chandra Sekhar, SN Bose, Meghwad Soha, and APJ Abdul Kalam.

Dr. B.Rajini Kanth delivered the vote of thanks. He thanked the college management for supporting the faculty and the students in organizing the Science Day celebrations. He thanked the students for their alacrity in designing posters and participating actively in the quiz program and scientific presentations. The 'Scientific temper' was ignited on the college campus.

A Report on Teachers Day

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvepalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher. In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The teacher's day was celebrated by the students of TKRCET, to express their gratitude for the immense contribution by their teachers towards their development. Teachers are the cornerstone of students' future. The program started with the Chairman, principal, Dean, AO, and the Heads of all the Departments lighting the lamp. The program started with the prayer song. Soon after that, students gave a speech on why we celebrate Teachers' Day and how their teachers contribution to this college. And lastly thanking the teachers for their efforts in shaping the life of students and inspiring them. After that Chairman and Principal, gave their speech thanking and appreciating all the teachers for their hard work and dedication and for their role in helping the institute to achieve new heights. At the end of the program, on this occasion every year principal gave the memento to the best teachers nominated by Academic committee. Finally, students requested **Dr. D.V .Ravi Shankar, Principal, TKRCET** to cut the cake and make the day more memorable and successful.

A Report on National Youth Day Celebrations

On the eve of Swami Vivekananda's birthday the students of TKRCET organized a programme the which is considered as National youth day, Mr. Teegala Krishna Reddy garu, chairman, TKR Educational Society , Unveiled the statue of the great Swami Vivekananda, later chairman addressed the students said India has a highest percentage of youth and the role in developing the nation, the speech was so inspiring ,other dignitaries T.Harinathreddy, Secretary,TKRES, T.Amarnathreddy,Treasurer, TKRES participated in the programme, Dr D V Ravishankar garu Principal ,TKRCET appreciated the students on being part of the inauguration programme and delivered valuable words towards youth attitude and their development.

SCHEDULE OF THE PROGRAMME

11:00 AM Greetings

11:10 AM Introduction about Swami Vivekananda Birthday and National Youth Day

11:25 AM Garlanding the Swami Vivekananda Statute

1. Honorable Chairperson Shri Teegala Krishna Reddy garu, MLA, Maheshwaram

2. Dr. T Harinath Reddy garu, Secretary, TKRES

3. Sri. T Amarnath Reddy garu, Treasurer, TKRES

4. Dr. S R Ramaswamy garu, Director, TKRES

5. Dr. D V Ravishankar garu, Principal, TKR College of Engg. & Technology

6. Dr. J Varaprasad Reddy garu, Director, TKR Institute of Management & Science

7. Dr. J V V Subramanyam garu, Principal, Teegala Krishna Reddy Engg. College

8. Dr. Vijaya Kuchana garu, Principal, Teegala Krishna Reddy College of Pharmacy

9. Sri. G L Narsimha Reddy garu, A O, TKRES

1:35 AM Tribute to the Swami Vivekananda Statue by the HOD's

11:45 AM Speech by Student

11:50 AM Song by Student

11:55 AM Speech by Dr. S R Ramaswamy garu,

Speech by Dr. D V Ravishankar garu,

Speech by Dr. J Varaprasad Reddy garu

Speech by Dr. J V V Subramanyam garu,

Speech by Dr. Vijaya Kuchana garu,

Speech by Shri Teegala Krishna Reddy garu

12:15 AM Aspiring Poetry by Student

12:20 AM Vote of Thanks

A Report on Maths Day Celebrations

The former Prime Minister of India, Manmohan Singh, declared December 22 as National Mathematics Day. When he was visiting Madras University in order to pay tribute to Ramanujan's achievements and celebrate his 125th birth anniversary. Since then, December 22 is celebrated as India's National Mathematics Day. Shakuntala Devi said,

“Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers.”

The Department of Mathematics, TKR College of Engineering & Technology organised the Mathematics Day celebration to mark the birth anniversary of the renowned Indian mathematician Shri Srinivasa Ramanujan. The celebrations aimed at spreading awareness about the importance of mathematics and the contributions made by Srinivas Ramanujan in mathematics.

The program commenced with a welcome speech delivered by Dr. D.V.S.R. Anil Kumar, the HoD of the H&S Department, who spoke about the significance of 1729, also known as the Ramanujan Number. He also spoke about Ramanujan's natural genius, who left behind 4000 original theorems despite not being formally educated.

Students and faculty members actively participated in various activities after the welcome speech. The faculty organized quizzes, puzzles, and mathematical games for the students, and these activities honed the mathematical skills of the participants.

The chief guest, Dr. P.V. Sundaranand Professor of mathematics Rayalaseema university highlighted the fact that mathematics should be for everyone because all of us have mathematical ability, but with varying extents and degrees. We must let everyone enjoy the wonders of mathematics. The feeling that mathematics is only for the gifted and the genius must change. He explained how mathematics is found everywhere in this universe.

Dr. D.V.S.R. Anil Kumar, the HoD of the H&S Department, rendered the vote of thanks. He thanked everyone who contributed to making the celebrations informative and entertaining.
