## NATIONAL YOUTH DAY CELEBRATIONS

### National Youth Day Celebrations in TKRES

National Youth day is observed every year by schools and higher education institutions on the birth anniversary of Swami Vivekananda to inculcate the values and morals of Swami Vivekananda among the youth of the country. National Youth day was celebrated by TKR College of Engineering and Technology. To celebrate the occasion of National Youth Day a talk was held in the college which was very well attended by all the faculty and students of the college. On this occasion Dr. Vijaya Kuchana Principal of TKR College of Pharmacy was invited as the guest speaker to speak on 'Value Education and Success in Life'. Beginning her talk with a prayer he discussed with students the meaning of real success which is attained only when we do something meaningful in our lives and derive pleasure from our deeds and not just money. In this context she also talked of social internship and gave several examples as well. Her talk was very interesting filled with interesting stories from mythological books and teachings of Hindu scriptures. She also spoke on the vision of Swami Vivekananda and how the students the present youth of the country contribute towards nation building. She also spoke on the present status of education system and stressed that only focused youth who have good character, are enlightened and strong willed can bring desirable changes in the society.

The focus of the education should be to encourage such scientific innovations which can actually solve the problems of human beings. At the end few students have expressed their views on the teachings of Swami Vivekananda and he being the ideal role model for the youth of the country.

## MATHEMATICS DAY CELEBRATIONS

Albert Einstein once said,

"Do not worry about your difficulties in mathematics

I can assure you that mine are still greater."

Mathematics is a hard nut to crack, but math teachers simplify it and make it interesting for us.

The Department of Mathematics, TKR college of Engineering & technology organised the Mathematics Day celebrations on 22<sup>nd</sup> Dec 2021 to mark the birth anniversary of the renowned Indian mathematician Shri Srinivasa Ramanujan. The celebrations aimed at spreading awareness about the importance of mathematics and the contributions made by Srinivas Ramanujan in mathematics.

The program commenced with a welcome speech delivered by Dr. D.V.S.R. Anil Kumar, the HoD of the H&S Department, who spoke about the significance of 1729, also known as the Ramanujan Number. He also spoke about Ramanujan's natural genius, who left behind 4000 original theorems despite not being formally educated.

Students and faculty members actively participated in various activities after the welcome speech. The faculty organized quizzes, puzzles, and mathematical games for the students, and these activities honed the mathematical skills of the participants.

The chief guest, professor Dr. Phani kumar Vignan Institute of engineering and technology highlighted the fact that mathematics should be for everyone because all of us have mathematical ability, but with varying extents and degrees. We must let everyone enjoy the wonders of mathematics. The feeling that mathematics is only for the gifted and the genius must change. He explained how mathematics is found everywhere in this universe.

Dr. D.V.S.R. Anil Kumar, the HoD of the H&S Department, rendered the vote of thanks. He thanked everyone who contributed to making the celebrations informative and entertaining.

CIR.No.SECRETARY/TKRCET/07/2022

Date:29-04-2022

**CIRCULAR  
20<sup>th</sup> ANNUAL DAY - 2022**

It is proposed to conduct 20<sup>th</sup> Annual Day Celebrations on 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> June 2022. The Students, Staff and Faculty are requested to participate in the Cultural Events and make the event a grand success.

The Principal and Hod's are requested to nominate a Student Co-coordinators and Staff Co-ordinators from each Department the names of all Co-ordinators along with mobile numbers may be submitted to the AO. / Secretary. The Coordinators are requested to contact the interested students for the cultural events.

Further, the Principal and Hod's are requested to finalize the branch wise Academic toppers from each branch of Engineering and MBA to submit the same to Mr.G.Srinivas Reddy Chief Librarian on or before 15<sup>th</sup> May, 2022.

**Programme Details:**

- ❖ THYOHAR (Traditional Day) - on 01-06-2022
- ❖ SHIZNY - on 02-06-2022
- ❖ ANNUAL DAY - on 03-06-2022
- ❖ **Note: The Attendance of all students and staff are compulsory.**

### **A Report on Maths Day Celebrations**

The former Prime Minister of India, Manmohan Singh, declared December 22 as National Mathematics Day. When he was visiting Madras University in order to pay tribute to Ramanujan's achievements and celebrate his 125<sup>th</sup> birth anniversary. Since then, December 22 is celebrated as India's National Mathematics Day. Shakuntala Devi said,

“Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers.”

The Department of Mathematics, TKR College of Engineering & Technology organized the Mathematics Day celebration to mark the birth anniversary of the renowned Indian mathematician Shri Srinivasa Ramanujan. The celebrations aimed at spreading awareness about the importance of mathematics and the contributions made by Srinivas Ramanujan in mathematics.

The program commenced with a welcome speech delivered by Dr. D.V.S.R. Anil Kumar, the HoD of the H&S Department, who spoke about the significance of 1729, also known as the Ramanujan Number. He also spoke about Ramanujan's natural genius, who left behind 4000 original theorems despite not being formally educated.

Students and faculty members actively participated in various activities after the welcome speech. The faculty organized quizzes, puzzles, and mathematical games for the students, and these activities honed the mathematical skills of the participants.

The chief guest, Dr. P.V. Sundaranand Professor of Mathematics, Rayalaseema University highlighted the fact that mathematics should be for everyone because all of us have mathematical ability, but with varying extents and degrees. We must let everyone enjoy the wonders of mathematics. The feeling that mathematics is only for the gifted and the genius must change. He explained how mathematics is found everywhere in this universe.

Dr. D.V.S.R. Anil Kumar, the HoD of the H&S Department, rendered the vote of thanks. He thanked everyone who contributed to making the celebrations informative and entertaining.

### **A Report on Science Day Celebrations**

National science day is mark each year in India to commemorate the discovery of the roman effect. Dr. B.RajiniKanth and Dr.D.V.S.R. AnilKumar, HoDs of the H&S Department, spoke on how scientific development has changed the life of human beings many folds. They talked about Sir CV Raman's passion for physics and what led him to receive the Nobel Prize for physics in 1930. The faculty of H&S organized a quiz competition for students. The questions were based on scientific and technological developments.

Students made poster presentations as well as projects the posters visually Simplified complicated science concepts spanning chemistry, physics, engineering topics, etc. some students also made paper presentations onto pics like the science of earthquakes, geological time; how clouds create lightning and thunder; technical drawing; smart material, etc.

The chief guest Dr. Ramaswamy retired eminent scientist DRDO talked about the significance of National Science Day. He said that by celebrating this day as national science day, we show our respect to the famous Indian Physicist for his contribution to the field science. He also talked about other great Indian scientists like Homi Bhabha, Visweswaraya, S Chandra Sekhar, SN Bose, Meghwad Soha, and APJ Abdul Kalam.

Dr. B.RajiniKanth delivered the vote of thanks. He thanked the college management for supporting the faculty and the students in organizing the Science Day celebrations. He thanked the students for their alacrity in designing posters and participating actively in the quiz program and scientific presentations. The 'Scientific temper' was ignited on the college campus.

### **A Report on Teachers Day**

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvepalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher. In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India. Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The teacher's day was celebrated by the students of TKRCET, to express their gratitude for the immense contribution by their teachers towards their development. Teachers are the cornerstone of students' future. The program started with the Chairman, principal, Dean, AO, and the Heads of all the Departments lighting the lamp. The program started with the prayer song. Soon after that, students gave a speech on why we celebrate Teachers' Day and how their teachers contribution to this college. And lastly thanking the teachers for their efforts in shaping the life of students and inspiring them. After that Chairman and Principal, gave their speech thanking and appreciating all the teachers for their hard work and dedication and for their role in helping the institute to achieve new heights. At the end of the program, on this occasion every year principal gave the memento to the best teachers nominated by Academic committee. Finally, students requested **Dr. D.V .Ravi Shankar, Principal, TKRCET** to cut the cake and make the day more memorable and successful.
