About the Campaign: The COVID-19 pandemic is a global outbreak of coronavirus, an infectious disease caused by the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) virus.)

This campaign intends to create an awareness among the Students and the public on how to take appropriate precautions against this dreaded contagious infection

Objectives of the campaign : The corona pandemic has Created a wave of fear globally. But we have learnt that proper precautions would greatly help in preventing the attacking virus .

Our college students along with our NSS volunteers are arranging camps to create an awareness in the surrounding localities on prevention measures to be taken to avoid corona

- Awareness raising for behavioural change is key to fighting COVID-19 pandemic.

Expected Outcomes: Upon successful completion

- On completion of this campaign, an awereness will be Created on prevention measures to be taken to avoid corona.
- It will help dispel misinformation about the coronavirus while promoting precautionary measures like frequent hand washing and wearing masks, sanitizing the environment etc.
