Accredited by NBA & NAAC with 'A' Grade)

PURPOSE OF THE TRAINING PROGRAM:

- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring realistic goals in their professional life.

OUTCOMES:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.

Feedback:

Positive feedback	Constructive
Short Cuts and tricks given were useful	Need Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by all the trainers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills, which everyone need to develop to live happily in the society as well as in the company. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions which were highly focused towards skills.

Students participated from Dept of Information Technology is 35.

Event Report

TKR College of Engineering and Technology has started the Language and Communication Skills Program for the final year students from all the branches of Engineering on 18/03/2019.

The Language and Communication Skills Program has been conducted Successfully where students were trained on different relevant skills and basic fundamental skills, Logical, Verbal and Communication skills.

Resource Person: Mrs. Abeka Glory

AUDIENCE:

Final Year Students from CSE, IT, ECE, EEE, MECH and CIVIL

Topics:

- Active listening
- Friendliness
- understanding.
- Confidence
- Volume and clarity
- Empathy
- Respect
- communication skill.
- Responsiveness

PURPOSE OF THE TRAINING PROGRAM:

- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable– skills to new career paths and types of work.
- Our training would help students to set inspiring realistic goals in their professional life.

OUTCOMES:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.

Level of Complexity was good	

The training was well conducted by all the trainers and made students to interact with them effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills, which everyone need to develop to live happily in the society as well as in the company. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions which were highly focused towards skills.

Students participated from Dept of Information Technology is 42.
