TKR College of Engineering and Technology - a modern temple of learning, an off shoot of the TKR Educational Society was established in the year 2002 in a sprawling, lush green 20 acre campus at Meerpet, Hyderabad. The college provides a serene and tranquil environment to the students, boosting their mental potential and preparing them in all aspects to face the cut-throat global competition with a smile on the face and emerge victorious.

The campus has a sprawling of lush green play ground of 5 acres with flood lights for cricket, football and other outdoor sports. An indoor badminton court, a modern basketball court and separate game rooms have been allotted for indoor games like table tennis, caroms and chess.

TKRCET encourages sports and games explicitly for overall development of the student. A sprawling green cricket ground caters the purpose. The play ground is available for different sports. Day and night National/International semi-final and final cricket matches of various leagues are being conducted.

Mr. P. Johnson, Physical Director is the head of the Department. He is a trained coach by Australian Cricket Academy. There is a lot of encouragement for the students to participate in sports and culture activities simultaneously and thus they are awarded and rewarded accordingly. We have a spacious and well equipped Sports room, where pupils can play indoor games like table tennis, chess, caroms etc., We have a Yoga Class room where students and faculty members do meditate and even practice yoga.

College teams are formed to take part in state level and University level competitions and other intercollegiate competitions. Sports event competitions are conducted in the interdepartmental level in an academic year and the winners are awarded and rewarded accordingly. The outdoor games such as shuttle badminton, volley ball, throw ball, cricket, football, kabaddi, hand ball, etc., are well practiced and played by the students.

Cultural Activities:

Students are very much encouraged to participate in the cultural events held in the college like Technical fests, Freshers, Annual Sports Day, Annual Day, etc., to exhibit cultural talents. Students are even sent to other colleges for intercollegiate competitions like dances, skits, mimics etc.
