A REPORT ON RECEIVING AN AWARD FROM GOVERNOR

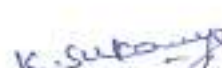

DATE: 14.06.2022

VENUE: RAJ BHAVAN

Every two seconds, someone needs blood. Blood is essential to help patients survive surgeries, cancer treatment, chronic illnesses, and traumatic injuries. This lifesaving care starts with one person making a generous donation. The need for blood is constant. But only about 3% of age-eligible people donate blood yearly. We can help the society make sure that supply meets demand. Blood donors play a vital role in the healthcare of patients in your community. 37% of the population is eligible to donate blood, yet only 5% actually do.

So with this idea that with every blood donation, we are providing strength, hope and courage to patients and their families in our local hospitals, every year the NSS Unit of TKR College of Engineering and Technology organizes a BLOOD DONATION CAMP, and in the year 2021-2022 a blood donation camp was organized in association with the Red Cross Society in which nearly 300 samples were donated. As an appreciation of receiving the highest number of blood samples the RED CROSS SOCIETY has invited the NSS UNIT of TKR College of Engineering And Technology to receive the award from the hands of the Governor Telangana state on 14.06.2022 at the program organized at RAJ BHAVAN. The appreciation certificate and the memento were collected by the principal Dr. D.V Ravi Shankar Garu and the Administrative Officer Shri G .L. Narasimha Reddy Garu. The efforts of the NSS UNIT were well appreciated by the officials on the Dias and congratulated the college for providing such an ambience.
