Web Programming	: HTML, JavaScript, Web Services
RDBMS	: Oracle 10g
Database Programming	: SQL

### EXPERIENCE:

---

COMPANY:HATHWAY PVT LTD.

DURATION:FEB'1<sup>st</sup>2014 to MAR'2015.

DESIGNATION : MIS Executive

### JOB RESPONSIBILITIES:

---

- Maintaining Data Base of the customer on EXCEL.
- Analysing the performance of company and we share the data to higher management With pivot table and graphical presentation .
- Frequently we prepare the power point presentation to higher management for internal meetings.
- We maintain the Daily,Monthly and Yearly data in our database.

- Pull out the data from the Online,Upass and Eseva, then map with the data by using **sumif()**.
- By using **Vlookup()**,we can find that account belongs to whose data base.
- Then insert a **pivot table** to know howmany Accounts got renewed and how much - amount collected in each TC.
- Start the calling and informing the customer about renewal date and amount,if cust want to renew his account we will send executive for collection.
- Then update the data in MIS.

#### Teaching experience:

- Worked as a Lecturer in TRR college of Polytechnic(2018-20)
- Good experience in Teaching Computer Science
- Presently Working as an Assistant Professor in AAR Mahaveer Engineering College

#### **ACADEMIC PROFILE:**

---

- **Completed M.tech(C.S.E) With Distinction from JNTU (2016-2019).**
- **Completed M.C.A(Master of Computer Applications) With Distinction** from JNTU Hyderabad (Full Time), A.P with **77.07%** during 2010-2013.
- **B.Sc (Maths, Physics & Computer Science)** from Nalanda Degree College (Full Time), Osmania University with **69.0%** during 2006-2009.
- **Intermediate(M.P.C)** from Aurobindo Jr. College(Full Time) **with 76.0%** during 2004-2006.
- **SSC** from Loyola High School, chityal with **85.0%** in the year 2004.

#### **PROJECT DETAILS:**

---

##### **Academic Project:**

##### **Risk-Aware Mitigation For MANET Routing Attacks**

##### **Description:**

Project entitled **Risk-Aware Mitigation For MANET Routing Attacks** is the implementation of IEEE Paper which propose a risk-aware response mechanism to systematically cope with the identified routing attacks. Our risk-aware approach is based on an extended Dempster-Shafer mathematical theory of evidence introducing a notion of importance factors. In addition, our experiments demonstrate the effectiveness of our approach with the consideration of several performance metrics. The application has been developed using Java as front end and Oracle 10g as Back-End.

**Environment: JDK**

**Responsibilities:**

- Involved in the analysis and development of the modules and writing Sql Queries as well.
- Understanding requirements by studying Base Paper.
- Responsible for creating Database Connection, GUI Design.
- Preparation for the Documentation of the Project.

**PERSONAL DETAILS:**

---

Spouse's Name	A VAMSHI KRISHNA
Date of Birth	02 April,1988
Languages	English, Hindi & Telugu
Gender	Female
Hobbies	Browsing Internet, Reading Books and Playing Chess
Address	Flat no : 303, Laxmi Nagar colony, Near TKR engineering college, R.N reddy,500097.

**DECLARATION:**

---

I am confident of my ability to work in a team. I hereby declare that the information furnished above is true to the best of my knowledge.

**Place:** Hyderabad

Yours Sincerely,

**Date:**

( **Swathi Pabbu** )
