TKR COLLEGE OF ENGINEERING AND TECHNOLOGY

(Autonomous, Accredited by NAAC with 'A' Grade)

(Sponsored by TKR Educational Society, Approved by AICTE, Affiliated to JNTU, Hyderabad, Accredited by NBA) Medbowli, Meerpet, Hyderabad-97

Academic Year 2023-24

ACTION TAKEN REPORT ON STUDENTS FEEDBACK

Feedback on curriculum and related aspects has been collected online and offline by IQAC. Feedback forms have been designed separately for students, teachers, parents, Alumni, and employees. Students from different UG and PG programs offered by the institution gave their feedback on curriculum, academic environment, and other student support activities. IQAC analyzed the feedback and forwarded the report to concerned Heads of the department for consideration and necessary action.

Suggestions/comments:

1) **Identify diverse learning styles and tools for effective LMS.**

2) **Give 5 minutes time gap while introducing a new topic**

3) **More number of workshops, student competitive activities**

4) **More integration of technology into teaching**

5) **Stress management activities**

Academic Year 2023-24

ACTION TAKEN REPORT ON ALUMNI FEEDBACK

Feedback on curriculum and related aspects has been collected online and offline by IQAC. Feedback forms have been designed separately for students, teachers, parents, Alumni, and employees. Students from different UG and PG programs offered by the institution gave their feedback on curriculum, academic environment, and other student support activities. IQAC analyzed the feedback and forwarded the report to concerned Heads of the department for consideration and necessary action. Based on inputs shared from alumni through various sources and alumni meets the following is consolidated.

Suggestions/comments:

1) Please continue workshops on current Technology.

2) Encourage students through spoken English classes

3) Conduct more accounting practical knowledge.

4) Facilities provided by the management are good. Conduct Graduation Day.

5) Alumni is ready to support in Academic activities through their interaction with

   students both technically and subject orientedly.
