## REPORT ON LANGUAGE AND COMMUNICATION SKILLS

Department of Training and placement of TKR College of Engineering and Technology has conducted Language and Communication Skills for the students of all the branches of Engineering on 5<sup>th</sup> August 2023.

This program was conducted in order to develop and enhance the students' soft skills, communication skills for their career development.

**Venue of the Event:** - TKR College of Engineering and Technology (Auditorium)

**Day / Date of Event:** - Saturday, 5<sup>th</sup> August 2023.

**Timings:** - 10 A.M. to 4 P.M

**Resource Person:** Ms Snusha Nair from SIXTH PHRASE

**Target Audience:** Final Year Students of all the Branches

### PURPOSE OF THE SESSION:

- Our Training program would assist the students keeping their placements in mind, by crafting captivating interpersonal skills, along with strong responses to both behavioural and technical interview questions.
- Fine-tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently makes them a good predictor of academic success.

### OUTCOMES: Indian in Character International in Excellence

Ms. Snusha Nair, as the resource person has delivered her lecture on Language and Communication Skills: A Golden Key to Career Elevation. Her presentation has covered areas like SWOT analysis, Interpersonal skill, useful links and tools related to the communication skill. After the presentation, the participants were given a few tasks on these areas and their performance was evaluated and necessary feedback on how to improve these skills was given.

**Feedback about the Session from Students:**

## AWARNESS OF TRENDS IN TECHNOLOGY (TNSIF)

Department of Training and placement of TKR College of Engineering and Technology has conducted training session on Trends in Technology by TNSIF, powered by JP Morgan for registered students from CSE, IT, AIML, DS, ECE & EEE branches of Engineering from 4<sup>th</sup> September, for 200 training hours.

This program was conducted in order to develop and enhance the students' technical skill in Full Stack Java.

**Mode of Training:-** Online through Google Meets.

**Total Duration:** 200 hours of training starting from 4<sup>th</sup> September 2023.

**Timings:** - 6:00 P.M. to 8:30 P.M

**Resource Person:** Ms. Hema, Ms Bharathi, Ms Ramya Dasari & Mr Sourabh.

**Target Audience:** all registered students of EWS category.

### PURPOSE OF THE SESSION:

- Our Training program would assist the students keeping their placements in mind, by crafting captivating Technical skills.
- Fine-tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently makes them a good predictor of academic success.

## **OUTCOMES:**

Ms. Hema, Ms Bharathi, Ms Ramya Dasari & Mr Sourabh, as the resource persons have trained students on “Full Stack Java”. Students have learnt about Introduction to Java, Java Programming, Java Web Development, JDBC, Servlet, JSP, Spring Framework, Java web services and micro services, Database, MySQL, Software Testing, Manual Testing, Automation testing using Selenium and Soft skills. During the course, students were given assessments and few tasks on these areas, their performance was evaluated and necessary feedback, and improved the skill set of students during the training.

## **Feedback about the Session from Students:**

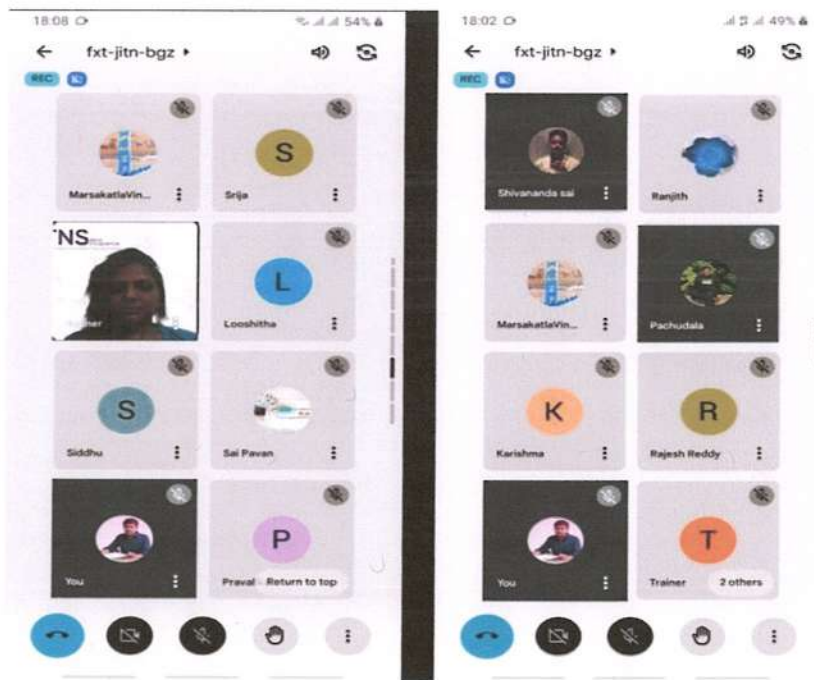

<b>Positive Feedback</b>	<b>Constructive Feedback</b>
Shortcuts and tricks given were useful	Need such Technical and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by the trainers and made students to interact effectively. The training received huge appreciation from the students because the trainers gave much knowledge about technical skills and communication skills which everyone need to develop. All the participants applauded the effort of the TNSIF trainers Ms. Hema, Ms Bharathi, Ms Ramya Dasari & Mr Sourabh. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for organizing such training sessions, which were highly focused towards campus placements.

## Introduction

**TNS India Foundation (TNSIF)**, through the **Campus to Technical Careers (C2TC) Program**, provides transformative workforce readiness skills training for youth to make better career choices and build a strong career path. The program provides placement support through corporate linkages with large and small IT/ ITeS firms. Our goal is to bridge the skills-employment gap that has increasingly growing due to the lack of infrastructure, outdated pedagogy and lack of resources of the target beneficiaries. The program addresses these issues by sharpening improving interview preparedness and make informed career choices after their graduation.

### TNS India Foundation and TKR College of Engineering & Technology

The association commenced in August 23 with common goal of benefiting students in their employability skills. Under C2TC program TNSIF had supported with technical expertise and infra was supported by TKR College of Engineering & Technology.

TNSIF Flow of program:

Stages of Engagement	Details	Typical TAT
Outreach	Explaining the C2TC program to College Management (decision makers)	2 - 8 weeks
Orientation	Explaining the program to beneficiaries (students)	2 weeks
Screening	Shortlisting eligible beneficiaries to admit in the batch	1 week
In Training	Beneficiaries attending our training	<i>as per training plan</i>
Training Completed	Preparing for interviews post training completion	as per interview schedule from recruiting orgs
Placements in-progress	Student completed 70% of curriculum eligible for placement opportunities	as required by student to clear interviews
Candidate placed	Offer letter/ proof of employment collected from placed Student	as relevant

## AWARNESS OF TRENDS IN TECHNOLOGY (ICT ACADEMY)

Department of Training and placement of TKR College of Engineering and Technology has conducted training session on Trends in Technology by ICT Academy, Center of Excellence for Women Empowerment – Tech4All programme – powered by Cognizant Foundation for registered students from CSE, IT, AIML, DS, ECE & EEE branches of Engineering from 11<sup>th</sup> September to 5<sup>th</sup> October 2023.

This program is conducted in order to develop and enhance the students' technical skill in Cloud Computing in Amazon Web Services (AWS).

**Venue of the Event:** TKR College of Engineering and Technology (R&D Lab)

**Day / Date of Event:** 11<sup>th</sup> September to 5<sup>th</sup> October 2023.

**Timings:** - 9:30 A.M. to 4:30 P.M

**Resource Person:** Mr. Madhivanan G & Mr Satwik Joel Nagella, Technical Trainers from ICT Academy

**Target Audience:** all registered female students of EWS category.

### PURPOSE OF THE SESSION:

- Our Training program would assist the students keeping their placements in mind, by crafting captivating Technical skills.
- Fine-tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently makes them a good predictor of academic success.

Indian in Character International in Excellence

### OUTCOMES:

Mr. Madhivanan G & Mr Satwik Joel Nagella, as the resource persons have trained students on “AWS Cloud”. Introduction to cloud computing & its advantages. Introduction to Amazon Web Services (AWS), Moving to the AWS Cloud – The AWS Cloud Adoption, Framework (AWS CAF). Students have learnt about AWS Global Infrastructure, AWS services and service category overview, AWS shared responsibility model, AWS Identity and Access Management (IAM), to secure a new AWS account, Securing data on AWS and its Working to ensure compliance using AWS in hands-on, engaging activities. During the course, students were given

assessments and few tasks on these areas, their performance was evaluated and necessary feedback, and improved the skill set of students during the training.

**Feedback about the Session from Students:**

Positive Feedback	Constructive Feedback
Shortcuts and tricks given were useful	Need such Technical and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by the trainers and made students to interact effectively. The training received huge appreciation from the students because he gave much knowledge about communication skills which everyone need to develop. The effort of the ICT Academy trainers Mr. Madhivanan G & Mr Satwik Joel Nagella, was applauded by all present. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions, which were highly focused towards campus placements.

## AWARNESS OF TRENDS IN TECHNOLOGY (TNSIF)

Department of Training and placement of TKR College of Engineering and Technology has conducted training session on Trends in Technology by TNSIF, powered by JP Morgan for registered students from CSE, IT, AIML, DS, ECE & EEE branches of Engineering from 4<sup>th</sup> September, for 200 training hours.

This program was conducted in order to develop and enhance the students' technical skill in Full Stack Java.

**Mode of Training:-** Online through Google Meets.

**Total Duration:** 200 hours of training starting from 4<sup>th</sup> September 2023.

**Timings:** - 6:00 P.M. to 8:30 P.M

**Resource Person:** Ms. Hema, Ms Bharathi, Ms Ramya Dasari & Mr Sourabh.

**Target Audience:** all registered students of EWS category.

### PURPOSE OF THE SESSION:

- Our Training program would assist the students keeping their placements in mind, by crafting captivating Technical skills.
- Fine-tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently makes them a good predictor of academic success.

## **OUTCOMES:**

Ms. Hema, Ms Bharathi, Ms Ramya Dasari & Mr Sourabh, as the resource persons have trained students on “Full Stack Java”. Students have learnt about Introduction to Java, Java Programming, Java Web Development, JDBC, Servlet, JSP, Spring Framework, Java web services and micro services, Database, MySQL, Software Testing, Manual Testing, Automation testing using Selenium and Soft skills. During the course, students were given assessments and few tasks on these areas, their performance was evaluated and necessary feedback, and improved the skill set of students during the training.

## **Feedback about the Session from Students:**

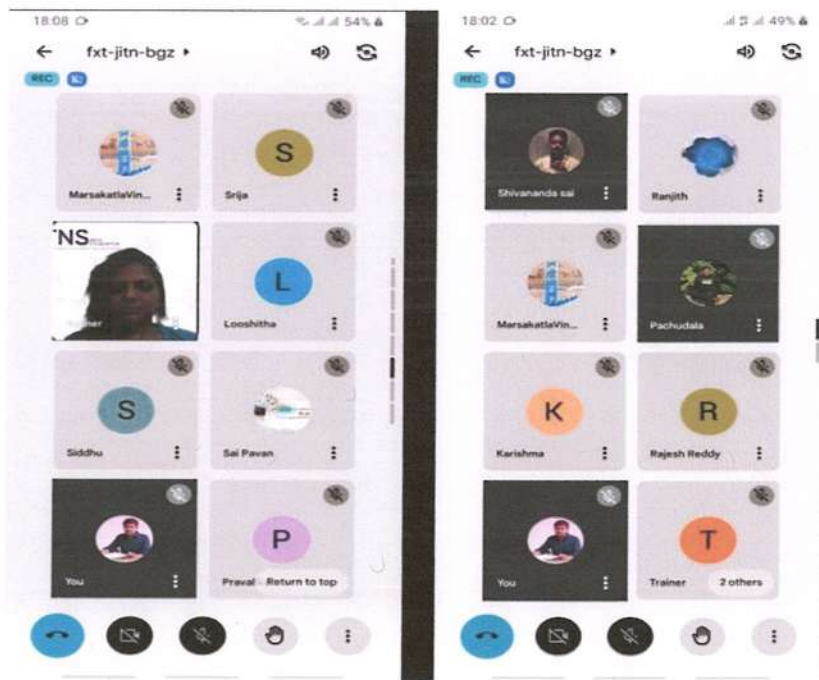

<b>Positive Feedback</b>	<b>Constructive Feedback</b>
Shortcuts and tricks given were useful	Need such Technical and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by the trainers and made students to interact effectively. The training received huge appreciation from the students because the trainers gave much knowledge about technical skills and communication skills which everyone need to develop. All the participants applauded the effort of the TNSIF trainers Ms. Hema, Ms Bharathi, Ms Ramya Dasari & Mr Sourabh. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for organizing such training sessions, which were highly focused towards campus placements.

## Introduction

**TNS India Foundation (TNSIF)**, through the **Campus to Technical Careers (C2TC) Program**, provides transformative workforce readiness skills training for youth to make better career choices and build a strong career path. The program provides placement support through corporate linkages with large and small IT/ ITeS firms. Our goal is to bridge the skills-employment gap that has increasingly growing due to the lack of infrastructure, outdated pedagogy and lack of resources of the target beneficiaries. The program addresses these issues by sharpening improving interview preparedness and make informed career choices after their graduation.

### TNS India Foundation and TKR College of Engineering & Technology

The association commenced in August 23 with common goal of benefiting students in their employability skills. Under C2TC program TNSIF had supported with technical expertise and infra was supported by TKR College of Engineering & Technology.

TNSIF Flow of program:

Stages of Engagement	Details	Typical TAT
Outreach	Explaining the C2TC program to College Management (decision makers)	2 - 8 weeks
Orientation	Explaining the program to beneficiaries (students)	2 weeks
Screening	Shortlisting eligible beneficiaries to admit in the batch	1 week
In Training	Beneficiaries attending our training	<i>as per training plan</i>
Training Completed	Preparing for interviews post training completion	as per interview schedule from recruiting orgs
Placements in-progress	Student completed 70% of curriculum eligible for placement opportunities	as required by student to clear interviews
Candidate placed	Offer letter/ proof of employment collected from placed Student	as relevant
