Report on Higher Education and Career Counseling

Department of Training and placements of TKR College of Engineering and Technology have conducted sessions on Higher Education and Career Counseling for all the final year students from all the branches of Engineering on 9th January 2024.

This program was conducted in collaboration with “IAEC Consultants” leading global education consultancy.

Venue of the Event: TKR College of Engineering and Technology (Auditorium).

Day/Date of the Event: 9th January 2024.

Timings: 10:00 A.M to 1:00 PM.

Resource Person: Mr Baddam Prashanth Reddy

TARGET AUDIENCE: All 3rd & 4th year students of all the branches.

PURPOSE OF THE SESSION:

Studying abroad is more than just education. It's a holistic experience

Earning an international degree is not only about expanding one's own career and personal horizons but also about having an experience of a lifetime.

OUTCOMES:

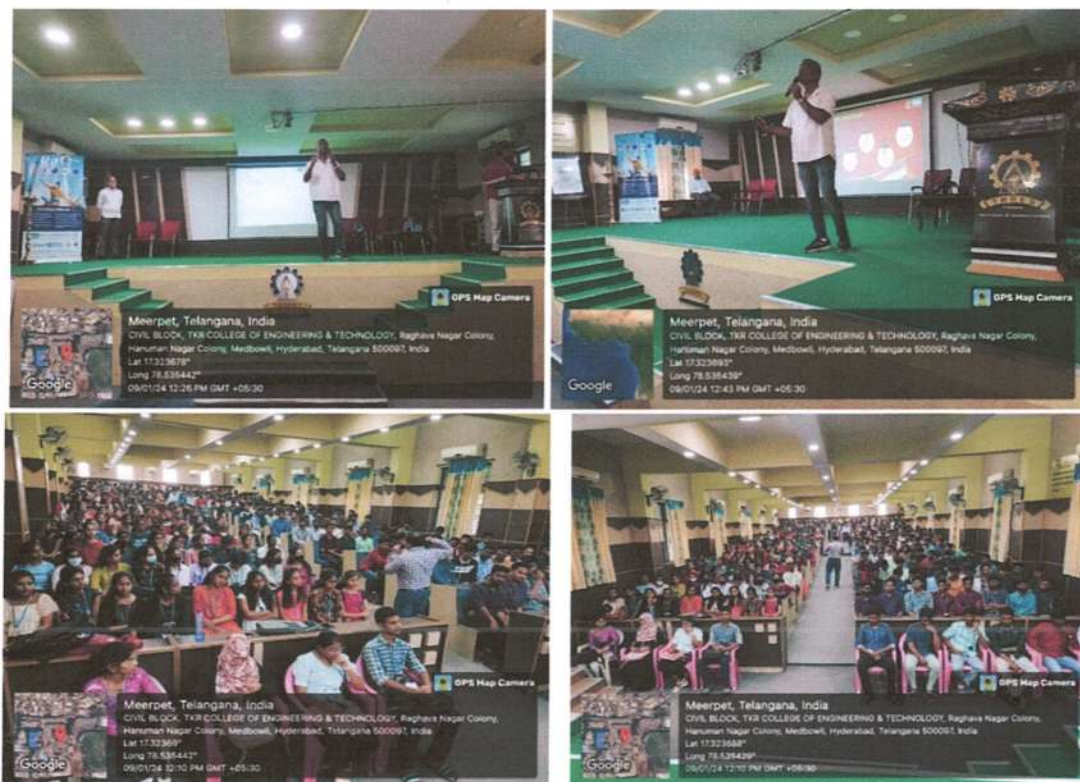

- Students of TKR College of Engineering and Technology have learnt how to choose diverse course options.
- Students have learnt by pursuing a degree overseas signals employers that they have courage, flexibility, cultural awareness and an understanding of how other people work and think.
- Students got an idea of studying abroad helps them learn new approaches to handle different situations, manage time between their studies and part time jobs, experience international methods of instructing and deal with a cosmopolitan crowd.
- Students who study abroad develop a well-informed mindset and wider perspective towards other cultures and people.

- Study abroad gives students an experience to explore geographies different that from India and come back with interesting stories for their friends and family. Students might also end up finding an activity that they enjoy doing and make a career in it.

Feedback about Session from the Students.

The session was well conducted by Mr Baddam Prashanth Reddy as resource person and made students to interact with him effectively. The session received huge appreciation from the students because he gave much knowledge about various courses, scope of higher education throughout the countries and various universities and their collaboration with the consultancy, by which every student who is aspiring to go abroad education can comfortably choose their organization. The effort of entire team of IAEC Consultants was applauded by all present. The students were very thankful to the placement department for expediting the session, which were highly focused towards higher education and career prospective.

Day 4: Calendars, Number series and Letter series.

Day 5: Concepts of C Programming Language and Practical sessions of C Programming.

Day 6: Aptitude & Reasoning.

PURPOSE OF THE SESSION:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skills, along with strong responses to both behavioural and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable-skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.

Feedback about the Session from Students:

Positive Feedback	Constructive Feedback
Shortcuts and tricks given were useful	Need such Aptitude and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by all the trainers and made students to interact with effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills and technical skills which everyone need to develop to live happily in the society as well as in the company. The effort of entire Sixth Phase was applauded by all present. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions which were highly focused towards campus placements.

REPORT ON CAREER COUNSELLING & GUIDANCE

Department of Training and placement of TKR College of Engineering and Technology has conducted CRT Program for the students of all branches of Engineering from 22nd March to 13th September 2024.

This program is conducted in collaboration with “Digi Icon” One of the premium training institute. The CRT has been conducted for 12 Days/72 hours program, i.e. 6 hours per day for 12 days. Where students were trained on different industry relevant skills and basic fundamental skills like Aptitude, Reasoning, Logical, Verbal and Technical skills

Venue of the Event: - Labs & Auditorium of TKR College of Engineering and Technology.

Day / Date of Event: - Friday, 22nd March 2024 to Saturday 13th September of 2024.

Timings: - 9:30 A.M. to 4:30 P.M

Resource Persons: Ms. Christine, Mr. Pavan Reddy, Mr. Prem Kumar, Mr. Laxmi Narayana

Target Audience: All branches 3rd Year Students.

PURPOSE OF THE SESSION:

- Our Training program would assist the students, keeping their placements in mind, by crafting a captivating interpersonal skills, along with strong responses to both behavioural and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently. Which makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable- skills to new career paths and types of work.
- Our training would help students to set inspiring but realistic goals in their professional life.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt to solve the problems of aptitude in a meticulous way.

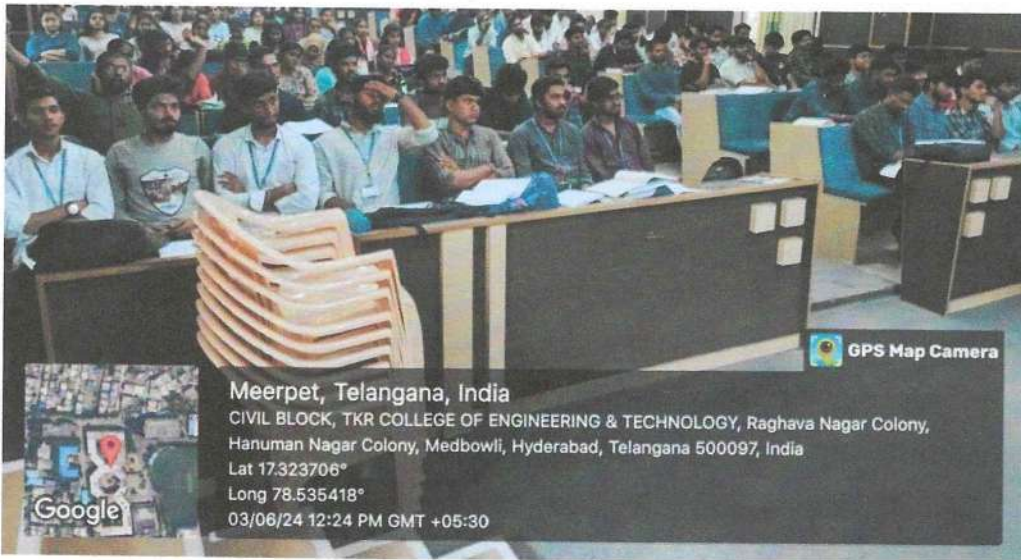

Feedback about the Session from Students:

Positive Feedback	Constructive Feedback
Shortcuts and tricks given were useful	Need such Aptitude and Skill Development Sessions
Interesting session	
Level of Complexity was good	

The training was well conducted by all the trainers and made students to interact with effectively. The training received huge appreciation from the students because they gave much knowledge about communication skills and technical skills which everyone need to develop to live happily in the society as well as in the company. The effort of entire team of “Digi Icon” was applauded by all present. The students were very grateful to their beloved Principal Dr. D.V Ravi Shankar Sir for expediting the training sessions which were highly focused towards campus placements.

Report on Higher Education and Career Counseling

Department of Training and placements of TKR College of Engineering and Technology have conducted sessions on Higher Education and Career Counseling for all the final year students from all the branches of Engineering on 9th January 2024.

This program was conducted in collaboration with “IAEC Consultants” leading global education consultancy.

Venue of the Event: TKR College of Engineering and Technology (Auditorium).

Day/Date of the Event: 9th January 2024.

Timings: 10:00 A.M to 1:00 PM.

Resource Person: Mr Baddam Prashanth Reddy

TARGET AUDIENCE: All 3rd & 4th year students of all the branches.

PURPOSE OF THE SESSION:

Studying abroad is more than just education. It's a holistic experience

Earning an international degree is not only about expanding one's own career and personal horizons but also about having an experience of a lifetime.

OUTCOMES:

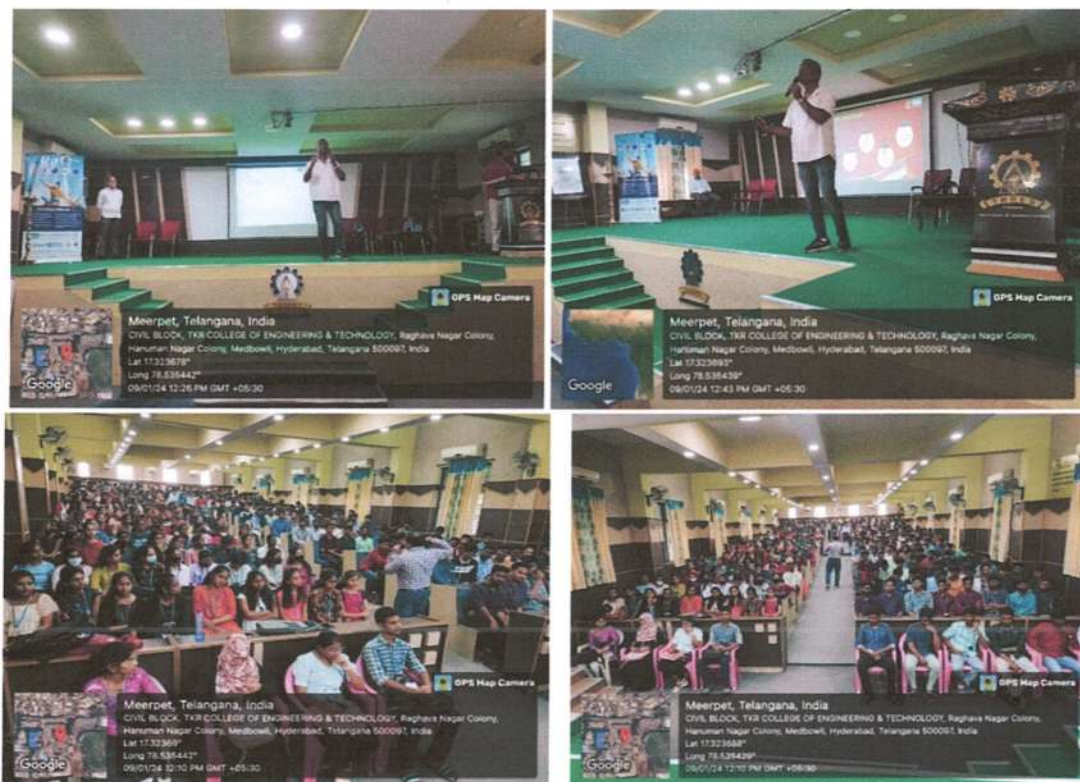

- Students of TKR College of Engineering and Technology have learnt how to choose diverse course options.
- Students have learnt by pursuing a degree overseas signals employers that they have courage, flexibility, cultural awareness and an understanding of how other people work and think.
- Students got an idea of studying abroad helps them learn new approaches to handle different situations, manage time between their studies and part time jobs, experience international methods of instructing and deal with a cosmopolitan crowd.
- Students who study abroad develop a well-informed mindset and wider perspective towards other cultures and people.

- Study abroad gives students an experience to explore geographies different that from India and come back with interesting stories for their friends and family. Students might also end up finding an activity that they enjoy doing and make a career in it.

Feedback about Session from the Students.

The session was well conducted by Mr Baddam Prashanth Reddy as resource person and made students to interact with him effectively. The session received huge appreciation from the students because he gave much knowledge about various courses, scope of higher education throughout the countries and various universities and their collaboration with the consultancy, by which every student who is aspiring to go abroad education can comfortably choose their organization. The effort of entire team of IAEC Consultants was applauded by all present. The students were very thankful to the placement department for expediting the session, which were highly focused towards higher education and career prospective.

Report on Higher Education and Career Counseling

Department of Training and placements of TKR College of Engineering and Technology have conducted sessions on Higher Education and Career Counseling for all the final year students from all the branches of Engineering on 9th January 2024.

This program was conducted in collaboration with “IAEC Consultants” leading global education consultancy.

Venue of the Event: TKR College of Engineering and Technology (Auditorium).

Day/Date of the Event: 9th January 2024.

Timings: 10:00 A.M to 1:00 P.M.

Resource Person: Mr Baddam Prashanth Reddy

TARGET AUDIENCE: All 3rd & 4th year students of all the branches.

PURPOSE OF THE SESSION:

Studying abroad is more than just education. It's a holistic experience

Earning an international degree is not only about expanding one's own career and personal horizons but also about having an experience of a lifetime.

OUTCOMES:

- Students of TKR College of Engineering and Technology have learnt how to choose diverse course options.
- Students have learnt by pursuing a degree overseas signals employers that they have courage, flexibility, cultural awareness and an understanding of how other people work and think.
- Students got an idea of studying abroad helps them learn new approaches to handle different situations, manage time between their studies and part time jobs, experience international methods of instructing and deal with a cosmopolitan crowd.
- Students who study abroad develop a well-informed mindset and wider perspective towards other cultures and people.

- Study abroad gives students an experience to explore geographies different that from India and come back with interesting stories for their friends and family. Students might also end up finding an activity that they enjoy doing and make a career in it.

Feedback about Session from the Students.

The session was well conducted by Mr Baddam Prashanth Reddy as resource person and made students to interact with him effectively. The session received huge appreciation from the students because he gave much knowledge about various courses, scope of higher education throughout the countries and various universities and their collaboration with the consultancy, by which every student who is aspiring to go abroad education can comfortably choose their organization. The effort of entire team of IAEC Consultants was applauded by all present. The students were very thankful to the placement department for expediting the session, which were highly focused towards higher education and career prospective.
