Policy Document ON Disabled Friendly Campus

The TKR College of Engineering and Technology takes pride in providing friendly and barrier free environment for the divyanjans. The Institute proposes the following policy for the same.

- All the staff/students should honor the divyanjans and act politely with divyanjan. Any discrimination of disabled person will be punished according to the government of India and UGC regulation.
- Preference should be given to the divyanjan during all the academics procedures like admission, exam, library accession etc.
- The disabled person and accompanied guardian should be allowed to use the lift facility provided in the college campus
- Scribe should be provided to students as per the university regulations
- The arrangement of wheel chair should be made at the proper location for the disabled students.
- The railings should be provided alongside the stairs for the disabled students
- The disabled friendly washrooms to be provided on each floor of building for the disabled students
- To set up ramps at the necessary places for the disabled students
- To create an environment for barrier free movement of the divyanjan student.
