The Existing procedures of Non-Autonomous Institutions regulated by JNTUH (Affiliating University) are to be implemented concerning for Re-evaluation and Re-counting of Marks.

**GUIDELINES TO APPLY FOR RECOUNTING/REVALUATION/CHALLENGING
VALUATION
(for B.Tech, M.Tech & MBA)
(2019-2020 ADMITTED BATCH ONWARDS-R18)**

It is to inform that TKR College of Engineering & Technology (Autonomous) is following Single Evaluation System for evaluating Answer Scripts of students pertaining to Semester End Examinations (SEE). The Evaluation process will be OMR based and the evaluator will not put the marks at any part of the Answer Script other than the place marked for it, i.e., on the OMR Sheet only. The Invigilator will put an end stamp (THE END) on each script on the last page written by the candidate. The Evaluation must be done till the last page of the answer script or the page where the Invigilator put the end stamp. The answers written after this stamp will not be evaluated by the evaluator under any circumstances.

The Evaluators should be appointed by the Controller of Examinations in consultation with the Chief Examiner of that particular subject. The Evaluators should be well qualified, experienced and currently working in reputed engineering colleges other than TKR College of Engineering & Technology. Evaluation must be done strictly as per the key supplied by the Chief Examiner. Marks will be awarded to all the answers written by the candidate. Best Marks for Part-B should be calculated by the evaluator carefully and award the marks at appropriate place. The Grand Total of Marks obtained by the candidate must be filled properly in the OMR Sheet for each Valuation and the same must be written in the hard copy supplied by the Controller of Examinations to ensure transparency.

The Controller of Examinations will appoint qualified and experienced subject faculty of TKR College of Engineering & Technology as Scrutinizer for each subject in consultation with the Chief Examiner of that subject. The Scrutinizer should verify the answer scripts, OMR's of Valuation-I carefully so that all answers written by the candidate has got marks. Further, the Scrutinizer will verify the total marks in PART-A & PART-B of OMR including Best Marks Calculation in PART-B. Any deviation in the marks should be noted and corrected in the OMR with prior information to the Chief Examiner. The Marks finalized by the Scrutinizer also should be written in the hard copy supplied by the Controller of Examinations to ensure transparency.

The Chief Examiner will verify all the marks and calculate the Final Marks obtained by the candidate and write the same in the hard copy supplied by the Controller of Examinations.

The Final Marks should be calculated must be as per the Confidential Circular (dated 02.02.2018) issued by the Controller of Examinations with prior approval from Controller of Examinations, JNTUH.

After the declaration of results, Students can apply for Recounting/Revaluation for all the Theory Subjects (No Practical/Lab Subjects) within one week from the date of declaration of results.

After receiving the application from the students for Recounting/Revaluation, the following rules (approved by the Academic Council) will be followed:

For Recounting:

- 1) The answer script of the student will be verified and with the marks awarded in the OMR sheet. If any answer was not evaluated, such answers only will be evaluated and award the marks in the OMR Sheet.
- 2) Counting errors in awarded OMR Sheet will be corrected.
- 3) Final Marks obtained by the candidate will be sent for Results Processing. If the marks/grade obtained by the students after Recounting is less than that of the previous marks or vice versa, the best marks will be considered.

For Revaluation:

- 1) Strictly University Norms will be followed.
- 2) The answer script will be evaluated by the external evaluator who will be appointed by the Controller of Examinations and follow the same rule for regular evaluation.
- 3) If the difference of marks obtained by the student exceeds 15% then only new marks will be considered.
- 4) If the difference of marks obtained by the student after Revaluation is less than 15% no change will be awarded.

The students apply for Challenge Valuation of answer scripts of Semester End Examinations after the declaration of Results of Revaluation only. The Challenging Valuation is available only to the students who have applied for Revaluation.

The students should submit their applications (through the HOD) within one week from the date of declaration of the results to the Examination Branch by paying Rs.10,000 (Rupees Ten Thousand only) per subject, in the form of Demand Draft, Drawn in Favor of "TKRCET AUTONOMOUS". Any application received after the due date of submission for Challenge valuation, shall not be accepted under any circumstances.

On receipt of the DD,

The answer script of the applied subject will be shown to the candidate to verify whether it belongs to him or not and the script will be evaluated by the senior faculty of the college appointed by the Controller of Examinations.

If there is any change in marks (Equal or above 15% of the maximum marks) the new marks will be awarded to the student. Otherwise, there will be no change in old marks.

If the change in marks (Equal or above 15% of the maximum marks) occurs, an amount of Rs.9,000/- will be refunded to the student. Otherwise, the student will forfeit the total amount which he/she paid.

Note:

1) Example : For B.Tech Student :: 15% of maximum of marks (70 Marks for External Exam) means , there should be an increase of $10.5 = 11$ marks after CV, then only Examination Branch, TKRCET will add marks & will refund the amount of Rs.9,000/-.

If a B.Tech student secures 22 marks in external exam & if he applies for CV after results are released then after CV he/she should secure 33 Marks (22+11) so that student can get back the amount of Rs.9,000/- & new marks will be updated.

The Academic Council has approved the Single Evaluation System for the students admitted from 19-20 Academic Year for both UG & PG.

Item No.	Description of Item
