Igniting Innovation: Inauguration of the IEEE PELS Student Chapter *Empowering Future Engineers at TKRCET | 4th July 2025*

The inauguration of the IEEE Power Electronics Society (PELS) Student Chapter at TKR College of Engineering and Technology on **4th July 2025** was a proud and transformative milestone that celebrated student leadership, academic excellence, and global technical vision. Organized by the IEEE Student Branch in association with the **Department of Electrical and Electronics Engineering**, the ceremony began with a warm welcome, the dignified lighting of the ceremonial lamp, and a melodious prayer song. The launch of the PELS chapter was officially marked with the unveiling of the chapter's poster, followed by a heartfelt oath-taking ceremony by the newly elected office bearers — **Ms. Mariya Mahve Syeda (Chair)**, **Ms. Bhavana Gorintla (Vice Chair)**, **Ms. Kaveti Meghana (Secretary)**, **Ms. Sanjana Reddy Samreddy (Treasurer)**, and **Mr. Niteesh Mandaloju (Webmaster)** — who pledged to uphold IEEE's values and lead with integrity, innovation, and purpose. The event was graced by two distinguished chief guests: **Dr. G. Siva Kumar**, **Chair of the IEEE PES/IAS/PELS Joint Chapter**, Hyderabad Section and Associate Professor at NIT Warangal, who delivered a powerful keynote on the transformative potential of power electronics and the role of IEEE in shaping global engineers; and **Mr. Uma Desu**, CEO of IntelliIndia, India's first Certified Intelligence Practitioner, MIT-certified GenAI trainer, and author, whose inspiring address on generative AI and future technologies empowered students to embrace innovation with vision and responsibility. The Principal, **Dr. D. V. Ravishankar**, extended his wholehearted support and congratulated the organizing team. Both chief guests were felicitated for their valuable presence and guidance. The event concluded with a gracious vote of thanks by **Mrs. K. Naga Maha Lakshmi**, IEEE Student Branch Counselor, expressing heartfelt gratitude to the management, advisors, and volunteers — especially **Mr. Aderla Anjaiah**, PELS Chapter Advisor — for his dedication in making the event a grand success. The ceremony ended with the National Anthem and a group photo, capturing a moment of pride and promise. The inauguration of the IEEE PELS Student Chapter signifies a bold step forward in nurturing a new generation of innovators, researchers, and leaders in power electronics and beyond.

Agenda

Time   Event
09:30 AM Registration of participants
09:50 AM Arrival of Dignitaries
10:00 AM Welcoming of Guests & Opening Remarks by Anchor
10:05 AM Inviting Dignitaries to the Dais
10:15 AM Lighting of the Lamp Ceremony
10:20 AM Prayer Song
10:25 AM Introduction and Purpose of IEEE PELS Chapter by HoD, EEE
10:35 AM **Poster Launch** – Official Unveiling of IEEE PELS Chapter Poster
10:45 AM **Oath-Taking Ceremony** by Office Bearers
11:00 AM Address by Chief Guest – **Dr. G. Siva Kumar**
11:15 AM Address by Chief Guest – **Mr. Uma Desu**
11:30 AM Address by Principal – **Dr. D. V. Ravishankar**
11:40 AM Address by Dignitaries (Dean, HoDs, Controller of Examinations, AO)
11:50 AM Felicitation of Chief Guests
11:55 AM Vote of Thanks – **Mrs. K. Naga Maha Lakshmi**, IEEE Student Branch Counselor
12:00 PM National Anthem
12:05 PM Group Photograph & Conclusion of Session

The event witnessed enthusiastic participation from **around 200 students**, including **30 active IEEE student members**, reflecting the growing interest and engagement in technical societies and student-led initiatives at TKRCET.
