**Subject : Accreditation status of UG Engineering program(s) offered by TKR College of Engineering and Technology, Survey No. 8/A, Medbowli, Meerpet, Saroornagar, Hyderabad, Telangana 500097**

Sir,

This has reference to NBA's letter of even number dated 23/03/2015 under which some of the UG Engineering program(s) offered by your Institution were granted accreditation in Tier II by National Board of Accreditation.

2. National Board of Accreditation (NBA) has now decided that in all cases where UG Engineering program(s) of an Institution were granted provisional accreditation for a period of 2 years in Tier-I/ Tier-II format and whose period of validity has not yet expired, the period of provisional accreditation of these programs shall be extended from 2 to 3 years subject to the condition that they meet the essential Pre-visit qualifiers. The Pre-visit qualifiers submitted by **TKR College of Engineering and Technology, Survey No. 8/A, Medbowli, Meerpet, Saroornagar, Hyderabad, Telangana 500097**, have been considered and approved by NBA in respect of the following UG Engineering program(s). Accordingly, the competent authority in NBA has approved the following accreditation status to the program(s) as given in the Table below:

| Sl. No. | Name of the Program(s) (UG)             | Basis of Evaluation | Accreditation Status     | Period of extended validity                     | Remarks   |
|---------|---|---------------------|--------------------------|---|---|
| (1)     | (2)                                     | (3)                 | (4)                      | (5)   | (6)   |
| 1.      | Electrical & Electronics Engineering    | Tier-II Document    | Provisionally Accredited | Academic Year 2017-2018, i.e., upto 30-06-2018. | Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier |
| 2.      | Electronics & Communication Engineering |                     |                          |   |   |
| 3.      | Mechanical Engineering                  |                     |                          |   |   |
| 4.      | Computer Science & Engineering          |                     |                          |   |   |

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted provisional accreditation. **TKR College of Engineering and Technology, Survey No. 8/A, Medbowli, Meerpet, Saroornagar, Hyderabad, Telangana 500097**, should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd/....

5. The accreditation status awarded to the program(s) as indicated in the above table does not imply that the accreditation has been granted to **TKR College of Engineering and Technology, Survey No. 8/A, Medbowli, Meerpet, Saroornagar, Hyderabad, Telangana 500097**, as a whole. As such the Institution should nowhere along with its name, including on its letter head etc. write that it is accredited by NBA because NBA only accredits program(s), and not Institutions. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of programs and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program(s) is subject to change on periodic review, as deemed necessary by the NBA. It is desired that the relevant information in respect of accredited program(s) as indicated in the Table in paragraph 2, appears on the website and information bulletin of your College/Institution.

7. The accreditation status awarded to the program(s) as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)

The competent authority has approved the accreditation status to the following programmes as below:

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programmes have been granted provisional accreditation for 2 years. As such TKR College of Engineering & Technology, Medbowli, Meerpet, Saroornagar, Hyderabad-500 097, A.P., should submit the Self Assessment Report alongwith a Compliance Report atleast after one year to be considered by the Engineering Evaluation and Accreditation Committee (EEAC) to formulate a view whether compliance report is enough to recommend for accreditation or a visit to the Institute is necessary. The recommendations of the EEAC will be considered by the Sub-Committee of the Academic Advisory Committee of Engineering for a decision.

5. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to TKR College of Engineering & Technology, Medbowli, Meerpet, Saroornagar, Hyderabad-500 097, A.P. as a whole. As such the Institute should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programme accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the programme(s) accredited, level of programmes and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.
