CIRCULAR

The second Quarterly Internal Quality Assurance Cell (IQAC) meeting for the academic year 2021-22 is scheduled on 03/09/2022 at 3:00 PM in S-210. All the faculty members are informed to attend the meeting to discuss the following agenda points.

Agenda Points:

1. Review of first minutes of meeting for the academic year 2022-23.
2. Verification of plan of action.
3. Prepare the required data for Submission of AQAR 2021-22 as per NAAC guidelines in scheduled time
4. Collection & Analysis of feedback for improvements
5. Conduction of Remedial classes for weak students in mid examinations.
6. Analysis of Middle-Academic Session Review of course handouts of odd semester.

Minutes of Meeting:

Date & Time: 03/09/2022 & 3:00 PM

Venue: Room No. S-210

Meeting No.: 02

Chairperson: HoD, ECE

Coordinator: IQAC Coordinator

Members Present: Faculty members

Agenda & Resolutions:

1. Review of First Minutes of Meeting (AY 2022-23)

- **Discussion:** The minutes of the first IQAC meeting for AY 2022-23 were reviewed and discussed in detail.
- **Resolution:** Approved without modifications; action items from the previous meeting noted as satisfactorily implemented.

2. Verification of Plan of Action

- **Discussion:** Progress of scheduled events and departmental initiatives was examined.
- **Resolution:** Approved with emphasis on timely execution and regular monitoring of pending activities.

3. Preparation of Data for Submission of AQAR 2021–22 (NAAC Guidelines)

- **Discussion:** Data requirements for AQAR 2021-22 were outlined. Faculty members were requested to submit any pending details (seminars, FDPs, publications, student activities) promptly.
- **Resolution:** Approved. IQAC Coordinator assigned to compile and submit the report within the stipulated timeline.

4. Collection & Analysis of Feedback for Improvements

- **Discussion:** Student feedback on teaching-learning processes and curriculum delivery was presented and analyzed.
- **Recommendations to Faculty:**
 - Incorporate interactive teaching methods.
 - Provide supplementary learning resources.
 - Offer prompt feedback on assessments.
- **Resolution:** Faculty members are advised to incorporate feedback into teaching-learning process and submit individual action-taken reports.

5. Conduction of Remedial Classes for Weak Students in Mid Examinations

- **Discussion:** Need for remedial classes for students scoring below 40% in mid-term exams were discussed.
- **Resolution:** Faculty instructed to schedule and conduct remedial sessions, maintain attendance, and record performance improvements.

6. Analysis of Middle-Academic Session Review of Course Handouts (Odd Semester)

- **Discussion:** Course handouts were reviewed for alignment with syllabus, course outcomes, and CO-PO mapping. Minor revisions were suggested for clarity and student guidance.
- **Resolution:** Approved with directions to implement the suggested modifications.

Minutes of Meeting:

Date & Time: 09/12/2022 & 3:00 PM

Venue: Room No. S-210

Meeting No.: 03

Chairperson: HoD, ECE

Coordinator: IQAC Coordinator

Members Present: Faculty members

Agenda & Resolutions:

1. Review of Second Minutes of Meeting (AY 2022-23)

- **Discussion:** The minutes of the second IQAC meeting were presented and examined.
- **Resolution:** Approved without modifications; all resolutions and action items from the previous meeting were satisfactorily implemented.

2. Verification of Plan of Action

- **Discussion:** Progress on planned curriculum initiatives, student mentoring, FDPs, remedial classes, and industry collaborations was reviewed.
- **Resolution:** Plan of Action verified and approved with emphasis on strengthening research activities and maintaining documentation for NAAC/NBA compliance.

3. Analysis of Post-Academic Session Review of Course Handouts (Odd Semester)

- **Discussion:** Post-academic review of odd-semester course handouts was conducted. CO-PO attainment levels were analyzed, and gaps in certain courses were identified.

- **Resolution:** Faculty advised to implement corrective measures (remedial sessions, revised assessments, interactive methods) and update CO-PO mappings accordingly.

4. Analysis of Pre-Academic Session Review of Course Handouts (Even Semester)

- **Discussion:** Draft course handouts for the upcoming even semester were presented. Minor corrections and the inclusion of ICT-based learning methods were suggested.
- **Resolution:** Approved after incorporating the recommended changes to ensure proper syllabus coverage and evaluation schemes.

5. Analysis of Previous Semester Results

- **Discussion:** Reviewed overall pass percentages: I Sem – 40.6%, IV Sem – 42.6% (lowest), VI Sem – 84.0% & VIII Sem – 83.1%
- Low-performing theory courses identified:
 - **IV Sem:** *Probability Theory & Stochastic Processes* – 57.4 %, *Electromagnetic Theory & Transmission Lines* – 63.7 %, *Pulse & Digital Circuits* – 62.7 %.
 - **VI Sem:** No critical low performers; all core subjects above 89 %.
 - **VIII Sem:** *Design of Fault Tolerant Systems* – 80.2 %
- **Resolution:** Special remedial sessions and focused tutorials will be conducted for the identified IV-semester theory courses and foundational topics to improve student performance and reduce backlogs. Provide bridge programs in mathematics and core electronics during the first year to strengthen fundamentals for subsequent semesters

Agenda & Resolutions:

1. Review of Third Minutes of Meeting (AY 2022-23)

- **Discussion:** The minutes of the third IQAC meeting were presented and examined.
- **Resolution:** Approved without modifications; progress on all previous action items was found satisfactory.

2. Verification of Plan of Action

- **Discussion:** The department's Plan of Action was reviewed, focusing on curriculum initiatives, research activities, FDPs, student mentoring, and remedial classes.
- **Resolution:** Approved with a directive to ensure timely documentation and follow-up on pending activities.

3. Collection & Analysis of Feedback for Improvements

- **Discussion:** Feedback from students, alumni, employers, and faculty was collected and analyzed. Key improvement areas identified included enhanced use of ICT tools, greater industry exposure, and curriculum enrichment.

- **Resolution:** Faculty members advised to integrate feedback into teaching-learning practices and document actions taken for NAAC/NBA compliance.

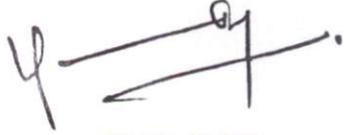

4. **Conduction of Remedial Classes for Weak Students in Mid Examinations**

- **Discussion:** The need for remedial classes for students scoring below 40% in the mid-I exams was discussed. Timetables and faculty responsibilities were outlined.
- **Resolution:** Faculty instructed to conduct remedial sessions and maintain attendance and performance records for monitoring progress.

5. **Analysis of Middle-Academic Session Review of Course Handouts (Odd Semester)**

- **Discussion:** Course handouts were reviewed for alignment with syllabus and course outcomes. Minor revisions were recommended for clarity and improved student guidance.
- **Resolution:** Approved with instructions to faculty to implement suggested measures and update CO-PO mappings.

Agenda & Resolutions:

1. **Review of Previous Meeting Minutes (AY 2022-23)**
 - **Discussion:** The minutes of the previous IQAC meeting were reviewed in detail.
 - **Resolution:** Approved with no modifications. Action Taken Report (ATR) of AY 2022-23 noted as satisfactory.
2. **Approval of Department Academic Calendar 2023-24**
 - **Discussion:** The proposed academic calendar was presented and discussed.
 - **Resolution:** Approved unanimously.
3. **Approval of III & IV Year Detailed Syllabus (R22 Regulations) by Board of Studies (BOS)**
 - **Discussion:** The syllabus for III & IV Year (R22) was reviewed.
 - **Resolution:** Approved by BOS
4. **Plan of Action for Academic Year 2023-24**
 - **Discussion:** Initiatives for curriculum enhancement, research activities, student mentoring, Faculty Development Programs (FDPs), workshops, remedial sessions, and industry collaborations were proposed.
 - **Resolution:** Plan of Action approved with emphasis on strengthening industry-institute interaction.

5. **Analysis of Post-Academic Session Review of Even-Semester Course Handouts**

- **Discussion:** Post-academic review of odd semester course handouts was verified. CO-PO attainment levels were analyzed and gaps were identified in few courses. Corrective measures such as remedial sessions, revised assessments and interactive methods were discussed.
- **Resolution:** Faculty advised to update course handouts with CO-PO attainment.

6. **Analysis of Pre-Academic Session Review of Odd-Semester Course Handouts**

- **Discussion:** Draft course handouts were examined and minor suggestions provided for improvement.
- **Resolution:** Approved after incorporating the suggested corrections.

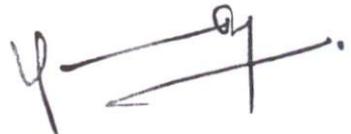

7. **Allocation of Mentors**

- **Discussion:** Mentor allocation for the academic year was finalized.
- **Resolution:** Each faculty member will mentor approximately 20 students. Mentor list approved.

8. **Analysis of Previous Semester Results**

- **Discussion:** Reviewed overall pass percentages: III Sem – 45.9%, V Sem – 64.6%, VII Sem – 90.2% & VII Sem – 89.3%.
- Identified **low-performing theory courses:**
 - III Sem - *Signals & Systems* – 52 % (lowest),
Digital Logic Design, Network Analysis, Electronic Circuit Analysis – around 73–76 %.
 - V Sem - *Control Systems* – 71 %
- **Resolution:** Conduct **special remedial classes and focused tutorials** for the III-semester *Signals & Systems* and V-semester *Control Systems* to strengthen fundamentals and raise pass rates.
