Minutes of Meeting:

Date & Time: 06/09/2024 & 3:30 PM

Venue: Room No. S-210

Meeting No.: 02

Chairperson: HoD, ECE

Coordinator: IQAC Coordinator

Members Present: Faculty members

Agenda & Resolutions:

1. Review of First Minutes of Meeting (AY 2024-25)

- **Discussion:** The minutes of the first IQAC meeting for AY 2024-25 were reviewed and discussed in detail.
- **Resolution:** Approved without modifications; action items from the previous meeting noted as satisfactorily implemented.

2. Verification of Plan of Action

- **Discussion:** Progress of scheduled events and departmental initiatives was examined.
- **Resolution:** Approved with emphasis on timely execution and regular monitoring of pending activities.

3. Preparation of Data for Submission of AQAR 2023-24 (NAAC Guidelines)

- **Discussion:** Data requirements for AQAR 2023-24 were outlined. Faculty members were requested to submit any pending details (seminars, FDPs, publications, student activities) promptly.
- **Resolution:** Approved. IQAC Coordinator assigned to compile and submit the report within the stipulated timeline.

4. Collection & Analysis of Feedback for Improvements

- **Discussion:** Student feedback on teaching-learning processes and curriculum delivery was presented and analyzed.
- **Recommendations to Faculty:**
 - Incorporate interactive teaching methods.
 - Provide supplementary learning resources.
 - Offer prompt feedback on assessments.
- **Resolution:** Faculty members are advised to incorporate feedback into teaching-learning process and submit individual action-taken reports.

5. Conduction of Remedial Classes for Weak Students in Mid Examinations

- **Discussion:** Need for remedial classes for students scoring below 40% in mid-term exams were discussed.
- **Resolution:** Faculty instructed to schedule and conduct remedial sessions, maintain attendance, and record performance improvements.

6. Analysis of Middle-Academic Session Review of Course Handouts (Odd Semester)

- **Discussion:** Course handouts were reviewed for alignment with syllabus, course outcomes, and CO-PO mapping. Minor revisions were suggested for clarity and student guidance.
- **Resolution:** Approved with directions to implement the suggested modifications.

Minutes of Meeting:

Date & Time: 04/12/2024 & 3:00 PM

Venue: Room No. S-210

Meeting No.: 03

Chairperson: HoD, ECE

Coordinator: IQAC Coordinator

Members Present: Faculty members

Agenda & Resolutions:

1. Review of Second Minutes of Meeting (AY 2024-25)

- **Discussion:** The minutes of the second IQAC meeting were presented and examined.
- **Resolution:** Approved without modifications; all resolutions and action items from the previous meeting were satisfactorily implemented.

2. Verification of Plan of Action

- **Discussion:** Progress on planned curriculum initiatives, student mentoring, FDPs, remedial classes, and industry collaborations was reviewed.
- **Resolution:** Plan of Action verified and approved with emphasis on strengthening research activities and maintaining documentation for NAAC/NBA compliance.

3. Analysis of Post-Academic Session Review of Course Handouts (Odd Semester)

- **Discussion:** Post-academic review of odd-semester course handouts was conducted. CO-PO attainment levels were analyzed, and gaps in certain courses were identified.
- **Resolution:** Faculty advised to implement corrective measures (remedial sessions, revised assessments, interactive methods) and update CO-PO mappings accordingly.

4. **Analysis of Pre-Academic Session Review of Course Handouts (Even Semester)**

- **Discussion:** Draft course handouts for the upcoming even semester were presented. Minor corrections and the inclusion of ICT-based learning methods were suggested.
- **Resolution:** Approved after incorporating the recommended changes to ensure proper syllabus coverage and evaluation schemes.

5. **Analysis of Previous Semester Results**

- **Discussion:** Reviewed overall pass percentages: II Sem – 43.2%, IV Sem – 51.3% (lowest), VI Sem – 64.9%
- Identified low-performing theory courses:
 - I Sem - *Mathematical Transforms* – 72%
 - IV Sem - *Electromagnetic Theory & Transmission Lines* – 59.9%
 - VI Sem - *VLSI Design* - 76%, *Digital Signal Processing* - 78%, *Antennas & Wave Propagation* - 78.4%.
- **Resolution:** Conduct targeted remedial sessions and focused tutorials for *Mathematical Transforms, Electromagnetic Theory & Transmission Lines, VLSI Design, Digital Signal Processing, Antennas & Wave Propagation*. Offer intensive problem-solving and bridge classes to strengthen mathematical and core-electronics fundamentals from first year onward.
